AN ATLIN
ROAD AGENT

**Masked Highwayman
Holds Up a Stage in Real
Western Style and Gets \$3.55**

Atlin has had a genuine stage holdup. The work of the robber was shockingly crude. His method, or rather lack of it, demonstrated that he was not an expert in the profession, and that he was thoroughly in want of experience.

It happened Monday evening, Sept. 16, about 8 o'clock. Walker's stage was enroute to Pine City from Atlin when a masked highwayman stepped out in the road and at the point of a Winchester commanded the driver to halt. The command was obeyed and the passengers were ordered to get out of the stage and line up with their hands in the air. Four of the passengers, Messrs. D. Patterson, C.H. Dewitt, J. Dillon and Mrs. Nelson took to the woods. The others were Driver Walker, Photographer Draper, T. Shirley, W. Waters, J. Emmett and Miss Maud Biggs.

They had considerable money about them, but most of them managed to lose their purses in the stage before leaving it. The highwayman's order to them, therefore, to throw their money in a pile on the road resulted in only \$3.55 being contributed to the road agent. This he sulkily picked up, and backing into the brush, he disappeared.

The police were immediately notified and vigorous search made for the daring robber, but up to late reports he has not been caught.

One Quick Turn...

and it's over for this dog!

You're not doing your dog any favours letting her ride in the back of a pick-up truck. Besides risking eye injury from wind blown debris, dogs are easily jolted out of open pick-ups and often suffer crippling injuries or death.

Use a protective kennel secured to the truck bed or let your best friend ride safely in the cab.

YUKON'S GREAT SHOWING

Yukon Territory's contribution to the Empire and Allied cause in this war is nothing short of magnificent.

Despite the fact the region is remote and the people are engaged in struggling against primitive and exceptionally obdurate and severe conditions in pioneering, they have more than held their own in the war game.

Between four and five hundred men have gone from this territory direct to the war, meaning practically ten per cent of the population of Yukon are under arms in Europe. Were the whole of the Dominion, with its eight million people, to contribute in like proportion to Yukon there would be 800,000 men, or just twice as many enlisted from Canada today as there are. ...

The generous and patriotic spirit of Yukon deserves to be known throughout the Empire and Allied realm. If all the Empire were contributing in like proportion in men and money the assembled wealth and armies today would be far greater than they are. But these matters will adjust themselves.

Yukoners will continue to do a mighty share and uphold the tradition that the sons and daughters of the North are excelled by none in loyalty to the nation and to humanity.
