COMMUNITY BASED MONITORING PROGRAM COORDINATOR

The Joint Secretariat seeks a highly motivated individual with training or experience in program and personnel management to lead the Community Based Monitoring Program (CBM) within the Inuvialuit Settlement Region (ISR). The program goal is to implement a long-term monitoring program of Inuvialuit harvest-based wildlife and related environmental observations.

Reporting to the Executive Director of the Joint Secretariat, the Coordinator will design, plan and manage the operational delivery of CBM functions, coordinate ongoing initiatives, and support monitoring activities of the 6 ISR communities. Activities are primarily in office; however, travel will be required both within and outside of the ISR.

The qualified applicant should possess a university or technical degree in a relevant field or an equivalent level of experience. The individual should be will organized, experienced in program or project management, exhibit tact and good judgement and be capable of forming and leading successful teams in program operations at the community level in remote areas. Familiarity with the structure and functions of the Inuvialuit Final Agreement, its various organizations and resulting responsibilities is an asset. Familiarity with Inuvialuktun is desirable, but not essential.

Experience with personal computer based systems, budgeting, proposal writing and demonstrated analytical and problem solving skills are essential. Written and oral communication skills are a requirement to effectively represent the CBM Program and the Joint Secretariat when working alongside a variety of government and non-government organizations.

Salary scale will be commensurate with the qualifications and experience of the successful candidate. The benefits package includes a Settlement Allowance of \$5,425. Housing Allowance of \$6,000. Pension Benefit of 6% of base salary (all benefits are per annum). There is also a Vacation Travel Benefit after one year of \$4,000.

Closing Date: April 29, 2016
