RESOURCE PERSON  
Joint Secretariat -  
Wildlife Management  
Advisory Council

The Joint Secretariat requires a highly motivated person to provide administrative support to the Wildlife Management Advisory Council (NWT) established pursuant to the Inuvialuit Final Agreement.  
Good writing and word processing skills are essential, as the job includes report-writing, meeting and workshop coordination as well as general office administration. Familiarity with basic financial management and awareness of regional and local Wildlife issues are desirable.  
Applicants should have a Technical School Diploma or equivalent experience/qualifications relevant to the position, should be well-organized, capable of dealing with diverse interests and should possess the ability to handle a considerable workload, often under severe constraints.  
Knowledge of the Inuvialuit Final Agreement and regional wildlife issues along with good writing skills and word processing experience are essential. Applicants must be willing to live in Inuvik, N.W.T. and to travel within the Inuvialuit Settlement Region. Housing is not provided but there is a settlement allowance.  
The successful applicant will report to the Executive Director, Joint Secretariat - Inuvialuit Settlement Region.  
Preference will be given to qualified Inuvialuit applicants.  
Salary scale starts at \$55,000, the actual level will commensurate with the qualifications and experience of the successful candidate.. A benefits package is also provided.

Closing Date: April 29, 2016  
Resumes should be forwarded to:  
Joint Secretariat  
Box 2120  
Inuvik, NT X0E 0T0  
Tel: 867 777 2828  
Fax: 867 777 2610  
Email: [officemgr@jointsec.nt.ca](mailto:officemgr@jointsec.nt.ca)  
Attention: Linda Gully

COMMUNITY BASED  
MONITORING  
PROGRAM  
COORDINATOR

The Joint Secretariat seeks a highly motivated individual with training or experience in program and personnel management to lead the Community Based Monitoring Program (CBM) within the Inuvialuit Settlement Region (ISR). The program goal is to implement a long-term monitoring program of Inuvialuit harvest-based wildlife and related environmental observations.  
Reporting to the Executive Director of the Joint Secretariat, the Coordinator will design, plan and manage the operational delivery of CBM functions, coordinate ongoing initiatives, and support monitoring activities of the 6 ISR communities. Activities are primarily in office; however, travel will be required both within and outside of the ISR.  
The qualified applicant should possess a university or technical degree in a relevant field or an equivalent level of experience. The individual should be will organized, experienced in program or project management, exhibit tact and good judgement and be capable of forming and leading successful teams in program operations at the community level in remote areas. Familiarity with the structure and functions of the Inuvialuit Final Agreement, its various organizations and resulting responsibilities is an asset. Familiarity with Inuvialuktun is desirable, but not essential.  
Experience with personal computer based systems, budgeting, proposal writing and demonstrated analytical and problem solving skills are essential. Written and oral communication skills are a requirement to effectively represent the CBM Program and the Joint Secretariat when working alongside a variety of government and non-government organizations.  
Salary scale will be commensurate with the qualifications and experience of the successful candidate. The benefits package includes a Settlement Allowance of \$5,425. Housing Allowance of \$6,000. Pension Benefit of 6% of base salary (all benefits are per annum). There is also a Vacation Travel Benefit after one year of \$4,000.

Closing Date: April 29, 2016  
Applications should be sent to: Linda Gully  
Joint Secretariat  
Box 2120  
Inuvik, NT X0E 0T0  
Tel: 867 777-2828  
Fax 867 777-2610

The Town of Watson Lake is a vibrant, multicultural community of 1,500 situated at the Gateway to the Yukon on the world famous Alaska Highway. The location will be particularly attractive to those interested in the outdoors. The area boasts magnificent lakes and an abundance of recreational activities.

BYLAW ENFORCEMENT/  
DEVELOPMENT OFFICER

The Town of Watson Lake is seeking applications from skilled individuals in conflict resolution and bylaw enforcement with strong administrative skills to fill the challenging permanent, full-time position of Bylaw Enforcement/Development Officer.

The Bylaw Enforcement/Development Officer will be responsible for compliance, enforcement and prosecution of Town bylaws dealing with such issues as zoning requirements, development permits, unsightly premises, animal control, and environmental/safety violations.

Applicants are required to have considerable experience in law or bylaw enforcement. Knowledge of the principles, standards and practices of the relevant areas of municipal bylaws is a strong asset.

Salary Range \$67,609 to \$76,095 (2015)

WATER TREATMENT OPERATOR (Level II)  
& SYSTEMS MAINTAINER

Certified Water Treatment Level II Operators are encourage to apply to join the Town's Public Works team as a key member in the management of a new water treatment plant. In a senior role, the incumbent will also be responsible for overseeing the activities and processes that go into treating and distributing municipal drinking water and participating in the operation, repair & maintenance of water, sewer, and storm-drain infrastructure. This position requires rotational on-call/standby duties.

In addition to Water Treatment Level II certification, the preferred candidate will hold level II certifications in Water Distribution and Wastewater Collection. Significant experience as a Heavy Equipment Operator would be considered as an asset.

Salary Range: Competitive, DOE, and under review

The successful candidates are required to supply a criminal record check and a copy of their credentials.

PUBLIC NOTICE

Rezoning Application  
Lots 2-7 and Lot 12, 24094 LTO  
in the Louise Lake area

The Yukon government is proposing to amend the Whitehorse Periphery Development Area Regulations (O.I.C. 2013/207) as follows:

- to amend the regulation to allow existing non-conforming lots to be enlarged through either subdivision or consolidation with an existing parcel, to less than the minimum lot size; and
- to allow a zoning designation boundary to follow a new or existing parcel boundary when a survey is registered at the Land Titles Office for an approved lot enlargement or lot consolidation.

The proposed amendment is required to facilitate lot enlargements and consolidations for Lots 2-7 and Lot 12, 24094 LTO in the Louise Lake area.

The amendment will also make the regulation consistent with other development area (zoning) regulations by allowing future lot enlargements to be processed without the need for rezoning and to allow lot enlargements that are less than the minimum parcel size of 6 ha.

Written comments on the proposed rezoning will be accepted until **May 25, 2016.**

Comments can be mailed to:  
Land Planning Branch (K320LP),  
Department of Energy Mines and Resources,  
Box 2703 Whitehorse, YT Y1A 2C6, or by fax: (867) 393-6340

For more information, please contact Doris Dreyer, Land Use Planner at (867) 667-5299; toll-free 1-800-661-0408 ext. 5299; or by email: [doris.dreyer@gov.yk.ca](mailto:doris.dreyer@gov.yk.ca).

1959 News from the Whitehorse Star

Triple Tragedy Stuns Territory

Shock and sadness descended upon the territory Saturday, clouding the sunny weekend and bringing grief throughout the Yukon. Dead in a triple tragedy at Pine Lake were Reverend Stanley Watson, 33, of Haines Junction, his father, James Watson 58 and Bill Hough, 34, superintendent of the experimental farm, at Mile 1019.

The trio were drowned on a fishing trip when, apparently, their 12 foot fibreglassed boat capsized. The numbing cold of the water prevented them from swimming to shore and the small boat did not float to provide a place of refuge.

Pine Lake is a few miles from Haines Junction on the Alaska Highway. It is a fishing spot frequented by many Junction residents.

The boat was found in about 12 feet of water, the prow just showing above the surface. It had been powered by a three-horsepower motor. Evidence indicated the men had finished fishing and were about to return to shore. The bodies were recovered by searchers from the Junction.

Funeral services for Reverend Watson were held at Haines Junction at 7:30 p.m. yesterday. Rites for Mr. Hough will be held in Chesterfield, Ontario. A memorial service for the agriculturalist was also held at the Junction.

Masonic rites were held in Whitehorse for Mr. Watson senior at 2:30 this afternoon.

1019 Superintendent

Bill Hough was born August 18, 1925. After being educated at Chesterfield Public School and high school he joined the army. Leaving the army, he entered Ontario Agricultural College where he graduated with a BSc in animal husbandry. After one year with the department of agriculture he returned to University graduating from Cornell University with a MSc in animal physiology.

He spent two years in Ottawa with the civil service then came north in June of 1956 to take the post of superintendent of the experimental farm at 1019

During his term there, he served as magistrate and coroner for two years.

He was a member of the Professional Institute, the Agricultural Institute of Canada and of the Masons.

President of the Community Club in 1957 he was a director of the organization in 1958 as well.

On the threshold of a promising career, his abilities were summed up by Commissioner F.H.Collins who said he was a civil servant of the very highest type, keen minded dedicated and enthusiastic.

Creativity is subjective. **The truth isn't.**

Truth in Advertising Matters.

Advertising Standards Canada  
[adstandards.com/psa](http://adstandards.com/psa)

**Life expectancy of average outdoor cat: 2-3 years**  
**Life expectancy of average indoor cat: 15 years**

Indoor spayed and neutered cats  
lead long, happy and healthy lives.

Cats that have experienced the  
outdoors will need time to adapt to  
inside life but will soon enjoy the  
comforts of a safe indoor home.
