1959 News from the Whitehorse Star

Triple Tragedy Stuns Territory

Shock and sadness descended upon the territory Saturday, clouding the sunny weekend and bringing grief throughout the Yukon. Dead in a triple tragedy at Pine Lake were Reverend Stanley Watson, 33, of Haines Junction, his father, James Watson 58 and Bill Hough, 34, superintendent of the experimental farm, at Mile 1019.

The trio were drowned on a fishing trip when, apparently, their 12 foot fibreglassed boat capsized. The numbing cold of the water prevented them from swimming to shore and the small boat did not float to provide a place of refuge.

Pine Lake is a few miles from Haines Junction on the Alaska Highway. It is a fishing spot frequented by many Junction residents.

The boat was found in about 12 feet of water, the prow just showing above the surface. It had been powered by a three-horsepower motor. Evidence indicated the men had finished fishing and were about to return to shore. The bodies were recovered by searchers from the Junction.

Funeral services for Reverend Watson were held at Haines Junction at 7:30 p.m. yesterday. Rites for Mr. Hough will be held in Chesterfield, Ontario. A memorial service for the agriculturalist was also held at the Junction.

Masonic rites were held in Whitehorse for Mr. Watson senior at 2:30 this afternoon.

1019 Superintendent

Bill Hough was born August 18, 1925. After being educated at Chesterfield Public School and high school he joined the army. Leaving the army, he entered Ontario Agricultural College where he graduated with a BSc in animal husbandry. After one year with the department of agriculture he returned to University graduating from Cornell University with a MSc in animal physiology.

He spent two years in Ottawa with the civil service then came north in June of 1956 to take the post of superintendent of the experimental farm at 1019

During his term there, he served as magistrate and coroner for two years.

He was a member of the Professional Institute, the Agricultural Institute of Canada and of the Masons.

President of the Community Club in 1957 he was a director of the organization in 1958 as well.

On the threshold of a promising career, his abilities were summed up by Commissioner F.H. Collins who said he was a civil servant of the very highest type, keen minded dedicated and enthusiastic.
