1902 News from the Whitehorse Star

- Has Gone to the Outside -

Ed La Belle, Peter Fournier's Partner, Left Dawson July 22nd

*His Name Appeared in the Printed Passenger Lists -- Fournier
 Arraigned and Remanded for Seven Days -- Did Not Plead.*

Dawson, Aug. 30 - It has been ascertained that Ed La Belle, the partner of Peter Fournier, who is now under arrest here suspected of being implicated in the murder of three men near Ogilvie the middle of last June, left for the outside on July 22nd as a first-class passenger on the steamer Columbian and though there hangs over his head a suspicion of having abetted in the commission of two or three murders, he traveled under his real name and made no secrecy of his having departed. His name, with the other passengers, was printed in the local papers at the time, and the list is now on file at the police station and at the White Pass office.

Fournier was arraigned on the 23rd inst. in the police court on the charge of murder in the first degree, in having killed Leon Boutillette. He did not plead, but was remanded for seven days, when he will enter a plea.

It is now stated that the report published that \$400 was found on the person of Fournier, is erroneous, and that he had no money when arrested.

The police have received the photographs of three of the five men who left Whitehorse together on the trip down river. They are Leon Boutillette, Alphonso Constantin and Beaudoin.

The body of the former was found near Indian River, and from a tag on a key chain was the name which led to the identification of the remains. The body contained three gunshot wounds which told that he was

shot from behind, and as he turned to see his assailants was shot twice through the head.

The body of Beaudoin was found with a rope on one arm and one on an ankle with slip knots and loops on the ends, which convince the police that the man was murdered and then weighted with stones which dropped off by the continual jolting over the gravel bottom of the river. His head was crushed and there could be no doubt that he also was murdered.

Alphonso Contantin, not showing up in Dawson, can be set down as being the third victim. He came to this country in '98 and became interested on Last Chance.

Beaudoin was a native of Beauce county, Quebec, and had just graduated from college when he concluded to come to the Klondike probably on the representations of Constantin. He was 23 years of age and a bright young man, with the physique of one who is not satisfied with the humdrum life of the east.

The three left Montreal June 4 and reached Whitehorse June 12. June 16 they started in a small boat in company with two other men, who joined the party at Whitehorse.

The body of Boutillette was found on July 16, and that of Beaudoin on August 1. The remains of a man found near Selkirk so badly decomposed that the body was hardly to be recognized, may be the third man of the latest river mystery.
