## Liquor Tax Is Imposed By Government

An Ordinance to provide for Government control and sale of alcoholic liquors replaces the old Liquor Ordinance and the Beer Ordinance.

Changes made are that all licensed premises, beer taverns and cocktail lounges must close between the hours of 6 p.m. and 7 p.m. daily. Provision is also made to allow establishments operating a beer parlour or tavern and also serving meals, provided the establishment is 25 miles from the limits of a municipality, to serve beer with meals up to two bottles per person.

A tax of 10¢ per dozen bottles of beer, 10¢ per bottle of wine, 10¢

per flask of liquor and 25¢ per bottle of liquor will be imposed to provide funds for education and recreational projects.

It is expected that \$10,000 annually will be derived in this manner for the use of recreational or other desirable projects such as civic centres, etc.

**POLL TAX**

Payable by all males eighteen years or over except if they have had residence in the Yukon Territory for one year immediately prior to January 1st of the year in which the tax is imposed. This requires one year's residence in Yukon from January 1st to December 31st.
