We are a very safety minded company committed to our employees, our communities, our children and all Yukoners.

If you are a stay at home mom or dad, retired or semi-retired or maybe you just want to get back into the work force this could be the part time job for you, and spare drivers are always needed if you want just a few hours a week.

If you have a clean driving and criminal record and able to pass a drug and alcohol test this rewarding job opportunity could be for you. Emergency first aid and CPR as well as a class 2 driver license are all part of the qualifications needed, if you don't have a class 2 we will train.

If being part of a child's education by getting them to and from school safely and in a comfortable environment is important to you then we will help you get the above qualifications needed and with your commitment, we can make this happen.

It is a part time job 4 hours a day for school year but more hours are available if you want them.

For those stay at home parents arrangements may be possible for you to take your pre-school child with you on your bus run if you qualify.
