ALEXCO ENVIRONMENTAL GROUP

With offices in Denver, Whitehorse and Toronto, and a Corporate Head Office in Vancouver, Alexco Environmental Group provides a variety of environmental services to governments and private sector organizations ranging from junior mineral exploration and development companies to major global mining firms. Alexco Environmental Group Inc. provides locally experienced professional project management, environmental consulting and remediation services for development projects across Canada.

ENVIRONMENTAL ASSESSMENT AND PERMITTING MANAGER JOB #AEG-2016-0901

Alexco Environmental Group (AEG) currently has an immediate opening for a full-time permanent **Environmental Assessment and Permitting Manager** to join our dynamic Whitehorse team.

The successful applicant will mainly be responsible for project management of development projects. This will include providing strategic advice to proponents and the AEG team, contributing to project planning and feasibility studies, and leading technical and administrative teams through environmental assessment processes and post-assessment permitting and compliance processes. The candidate will organize and attend regulatory meetings, manage work plan and budget development, and contribute to the writing of project proposal and license application documents.

The candidate will support problem solving and information flow between multiple consultants and will research/support strategic information requirements and planning/implementation of territorial and federal permitting requirements.

Detailed responsibilities:

- Develop and implement processes for EA Proposal and permit application preparation and tracking;
- Prepare project work plans, budgets, and schedules and determine project resources;
- Budget tracking; QA/QC meetings with staff; progress meetings with proponents;
- Liaise with subconsultants to ensure deliverables are fully defined and scheduled to achieve permit application and other deadlines;
- Liaise with Regulators to provide project information and respond to application specific inquiries;
- Work with Regulatory Agencies to determine appropriate timelines for deliverables;
- Oversee the preparation of documentation in support of environmental permitting and approval processes;
- Provide project management leadership in tracking communication between the proponents, the AEG team, and regulatory agencies;
- Take the lead, as required, on First Nation consultation and community meetings including occasional travel to various communities;
- Assist with proposal writing for new projects and contribute to other business development initiatives;
- Travel to job sites as required; and
- Act as a mentor to new and junior environmental staff and assisting with performance evaluations and career development as required.

Qualifications:

- Bachelor's degree in an Environmental field;
- Minimum of 5 years of related work experience in Yukon, with at least 2 years of related project management experience;
- Working knowledge of Yukon First Nation Umbrella Final Agreement and Yukon environmental assessment legislation (YESAA, Environment Act, Waters Act).
- Working knowledge of the Yukon Environmental Assessment and permitting process for major development projects;
- Excellent written and oral communication skills and report writing skills;
- Experience meeting with regulators and proponents in a project management role and giving presentations;
- Demonstrated ability to work with a wide variety of people with tact, courtesy, and professionalism;
- Ability to maintain a high regard for personal safety, for the safety of company assets and employees, and the general public.

*Candidates who do not possess the required education/experience but have an equivalent combination of relevant training and experience will be equally considered.

Occasional travel will be required for this position. Drug and alcohol testing will be a condition of employment.

Interested candidates should send a cover letter and resume to the attention of: Hiring Manager by email to: hr@alexcoresource.com or by fax to 867-633-4882. The point of hire for this position will be from Whitehorse, Yukon.

Only candidates residing in the Yukon at the time of posting will be considered for this position.

Closing date: September 23, 2016

REQUEST FOR PROPOSAL

**STRATEGIC PLANNING PROCESS
& FACILITATION**

APPLICATION DEADLINE: MONDAY, OCTOBER 3, 2016

Kilrich is seeking to develop a strategic plan to ensure that it reflects not only current realities but accurately captures the organization's desired direction over the next several years.

This direction will be influenced by the environment in which Kilrich operates, as well as the expertise and brand that Kilrich seeks to deliver on. This review also provides an opportunity for Kilrich to strengthen its managerial framework by adopting a results-based strategic plan.

For a full copy of the RFP outline please contact rob@kilrich.ca

One Quick Turn...

and it's over for this dog!

You're not doing your dog any favours letting her ride in the back of a pick-up truck. Besides risking eye injury from wind blown debris, dogs are easily jolted out of open pick-ups and often suffer crippling injuries or death.

Use a protective kennel secured to the truck bed or let your best friend ride safely in the cab.

Drink & Drive*

Whitehorse Star, Monday, May 4 1992

City Resident Makes Polar History

Whitehorse resident Martyn Williams has become the first Canadian to reach both poles of the earth using only skis and a small dog team.

Williams, 44 and his three companions on the International north Pole Expedition were picked up Saturday after six grueling weeks of fighting severe temperatures, driving winds, and tough, unpredictable sea ice.

All four members of the group are South Pole veterans. Australian Mike McDowell 44, accompanied Williams to the South Pole in 1990. Norwegian brothers Sjur, 27, and Simen Modre, 29, traveled to the South Pole in 1991.

Many people have reached both poles without mechanized assistance. Until now, only Briton Robert Swan traveled from South to North.

The group is now resting at the advance base on Ellesmere Island before they return tonight to Resolute Bay, N.W.T.

Tough terrain slowed progress for the first few weeks. However, the expedition traveled more than 25 kilometers a day in the last couple of weeks to make up for last time.

They had to reach the pole by May 12. After that date, warming temperatures cause fog and broken ice, which makes air pick-up impossible.

"But part of it was because they just really wanted to get out ...

Made it! Yukoner Martyn Williams, right, completed the international North Pole Expedition in six weeks along with Mike McDowell and brothers Sju and Simen Modre, at left.

Soak up a little Yukon history.

The Whitehorse Star web site has more to offer than daily news, classifieds and editorials. You'll find news stories of the past (1900 up to 2000) taken from the archives of the Whitehorse Star. Be informed of the Past and the Present... Check it out!!
