Joint Secretariat –
 Inuvialuit Settlement Region

Wildlife Biologist**Joint Secretariat - Wildlife Management Advisory Council**

The Joint Secretariat requires a highly motivated person to provide staff support to the Wildlife Management Advisory Council (NWT) established pursuant to the Inuvialuit Final Agreement.

Good writing and word processing skills are essential, as the job includes report-writing, meeting and workshop coordination as well as general office administration. Familiarity with basic financial management is desirable, and knowledge of regional and local wildlife issues, including species at risk and conservation biology and harvest management practices, is essential.

Applicants must have a degree in the natural science from a recognized post-secondary institution, should be well organized, capable of dealing with diverse interests and should possess the ability to handle a considerable workload, often under severe constraints.

Applicants must be willing to live in Inuvik, N.W.T. and to travel within the Inuvialuit Settlement Region. Housing is not provided but there is a settlement allowance.

The successful applicant will report to the Executive Director, Joint Secretariat - Inuvialuit Settlement Region.

Preference will be given to qualified Inuvialuit applicants.

Salary scale starts at \$72,100, the actual level will be commensurate with the qualifications and experience of the successful candidate. A benefits package is also provided.

A detailed Job Description is available upon request.

Closing Date: September 23, 2016

Resumes should be forwarded to:

Joint Secretariat, Box 2120, Inuvik, NT, X0E 0T0
 Tel: 867-777-2828 • Fax: 867-777-2610

ALEXCO ENVIRONMENTAL GROUP

With offices in Denver, Whitehorse and Toronto, and a Corporate Head Office in Vancouver, Alexco Environmental Group provides a variety of environmental services to governments and private sector organizations ranging from junior mineral exploration and development companies to major global mining firms. Alexco Environmental Group Inc. provides locally experienced professional project management, environmental consulting and remediation services for development projects across Canada.

ENVIRONMENTAL ASSESSMENT AND PERMITTING MANAGER JOB #AEG-2016-0901

Alexco Environmental Group (AEG) currently has an immediate opening for a full-time permanent **Environmental Assessment and Permitting Manager** to join our dynamic Whitehorse team.

The successful applicant will mainly be responsible for project management of development projects. This will include providing strategic advice to proponents and the AEG team, contributing to project planning and feasibility studies, and leading technical and administrative teams through environmental assessment processes and post-assessment permitting and compliance processes. The candidate will organize and attend regulatory meetings, manage work plan and budget development, and contribute to the writing of project proposal and license application documents.

The candidate will support problem solving and information flow between multiple consultants and will research/support strategic information requirements and planning/implementation of territorial and federal permitting requirements.

Detailed responsibilities:

- Develop and implement processes for EA Proposal and permit application preparation and tracking;
- Prepare project work plans, budgets, and schedules and determine project resources;
- Budget tracking; QA/QC meetings with staff; progress meetings with proponents;
- Liaise with subconsultants to ensure deliverables are fully defined and scheduled to achieve permit application and other deadlines;
- Liaise with Regulators to provide project information and respond to application specific inquiries;
- Work with Regulatory Agencies to determine appropriate timelines for deliverables;
- Oversee the preparation of documentation in support of environmental permitting and approval processes;
- Provide project management leadership in tracking communication between the proponents, the AEG team, and regulatory agencies;
- Take the lead, as required, on First Nation consultation and community meetings including occasional travel to various communities;
- Assist with proposal writing for new projects and contribute to other business development initiatives;
- Travel to job sites as required; and
- Act as a mentor to new and junior environmental staff and assisting with performance evaluations and career development as required.

Qualifications:

- Bachelor's degree in an Environmental field;
- Minimum of 5 years of related work experience in Yukon, with at least 2 years of related project management experience;
- Working knowledge of Yukon First Nation Umbrella Final Agreement and Yukon environmental assessment legislation (YESAA, Environment Act, Waters Act).
- Working knowledge of the Yukon Environmental Assessment and permitting process for major development projects;
- Excellent written and oral communication skills and report writing skills;
- Experience meeting with regulators and proponents in a project management role and giving presentations;
- Demonstrated ability to work with a wide variety of people with tact, courtesy, and professionalism;
- Ability to maintain a high regard for personal safety, for the safety of company assets and employees, and the general public.

*Candidates who do not possess the required education/experience but have an equivalent combination of relevant training and experience will be equally considered.

Occasional travel will be required for this position. Drug and alcohol testing will be a condition of employment.

Interested candidates should send a cover letter and resume to the attention of: Hiring Manager by email to: hr@alexcoresource.com or by fax to 867-633-4882. The point of hire for this position will be from Whitehorse, Yukon.

Only candidates residing in the Yukon at the time of posting will be considered for this position.

1959 News from the Whitehorse Star

Triple Tragedy Stuns Territory

Shock and sadness descended upon the territory Saturday, clouding the sunny weekend and bringing grief throughout the Yukon. Dead in a triple tragedy at Pine Lake were Reverend Stanley Watson, 33, of Haines Junction, his father, James Watson 58 and Bill Hough, 34, superintendent of the experimental farm, at Mile 1019.

The trio were drowned on a fishing trip when, apparently, their 12 foot fibreglassed boat capsized. The numbing cold of the water prevented them from swimming to shore and the small boat did not float to provide a place of refuge.

Pine Lake is a few miles from Haines Junction on the Alaska Highway. It is a fishing spot frequented by many Junction residents.

The boat was found in about 12 feet of water, the prow just showing above the surface. It had been powered by a three-horsepower motor. Evidence indicated the men had finished fishing and were about to return to shore. The bodies were recovered by searchers from the Junction.

Funeral services for Reverend Watson were held at Haines Junction at 7:30 p.m. yesterday. Rites for Mr. Hough will be held in Chesterfield, Ontario. A memorial service for the agriculturalist was also held at the Junction.

Masonic rites were held in Whitehorse for Mr. Watson senior at 2:30 this afternoon.

1019 Superintendent

Bill Hough was born August 18, 1925. After being educated at Chesterfield Public School and high school he joined the army. Leaving the army, he entered Ontario Agricultural College where he graduated with a BSc in animal husbandry. After one year with the department of agriculture he returned to University graduating from Cornell University with a MSc in animal physiology.

He spent two years in Ottawa with the civil service then came north in June of 1956 to take the post of superintendent of the experimental farm at 1019

During his term there, he served as magistrate and coroner for two years.

He was a member of the Professional Institute, the Agricultural Institute of Canada and of the Masons.

President of the Community Club in 1957 he was a director of the organization in 1958 as well.

On the threshold of a promising career, his abilities were summed up by Commissioner F.H. Collins who said he was a civil servant of the very highest type, keen minded dedicated and enthusiastic.
