Help Wanted

POWER GENERATION TECHNICIAN

WHITEHORSE, YUKON

ATCO Structures & Logistics is a North American leader in technical services and facilities management for the telecommunications, resource, transportation, utility and defense sectors. Our Joint Venture with the Northern Aboriginal Services Company has an immediate requirement for a Power Generation Technician, to maintain diesel power generation systems at telecom sites in Yukon & northern BC.

The Power Generation Technician will provide scheduled preventive maintenance on diesel generators at remote sites, unscheduled repairs and emergency response to correct diesel generator failures and other related problems, and periodic installations of generators and related equipment.

Inspections of fuel systems, fuel tank dips and reporting as well as associated fuel supply problems that may arise.

The position requires regular travel by truck and helicopter to remote sites in northern BC, and Yukon.

The successful candidate will be a diesel or heavy equipment mechanic (Journeyman or equivalent experience) with a valid driver's license. Candidates should have a minimum of 5 years' experience maintaining and repairing diesel generators; trouble shooting and repairing mechanical and electronic engine controllers; and repairing other equipment associated with remote diesel power generation. A demonstrated ability to work independently and "get the job done" thoroughly, efficiently and safely is essential.

ATCO Structures offers a competitive pay and benefits package. Qualified individuals are invited to apply on or before November 30th, 2016 to:

Administration Coordinator

ATCO Structures & Logistics.

#210-1100 Front St., Whitehorse, Yukon Y1A 6K6

Fax: (867) 667-4820 or e-mail alberta.weber@atcosl.com

1969 News from the Whitehorse Star

Wolf Dog Attacks Four Year Old

A four year old girl is in serious condition following an attack by a "wolf dog" at Watson Lake on Saturday. Patricia Anne Glowa, daughter of Mr. and Mrs. Alex Glowa of Watson Lake was flown to Whitehorse General hospital suffering from severe bites to the right groin and multiple other injuries. She has undergone surgery and was flown to Edmonton yesterday for further treatment.

The attack occurred at 12:30 p.m. Saturday by a wolf which is kept at Watson Lake for breeding purposes. Details of the incident were not immediately known.

The child was put aboard C.P. Air's northbound jet which brought her into Whitehorse in the record time of 25 minutes.

The Whitehorse Star, May 12, 1969

TIPS ON HOW TO WRITE A
CLASSIFIED AD THAT SELLS

1. Use a **KEYWORD**. This immediately tells the reader exactly what it is you have to sell.
2. Make your description **CLEAR** and **FACTUAL**. State the year, make, model, color, size and tell what condition the item is. Also state the special features.
3. State the **PRICE**. Successful Classified advertisers have learned that the price in an ad helps increase the chances for results.
4. If there's a genuine sense of **URGENCY**, say so. The words, "We're Moving" or "Must Sell Fast" suggests that readers respond immediately.
5. Include your **PHONE NUMBER**. Classifieds get results fast and often generate immediate sales. If you cannot be available to answer the phone at all times, be sure to specify special calling times such as "after 6PM" or "before 11AM".

If you need assistance ask one of our friendly
AD-VISORS to help you word your ad.

One Quick Turn...

and it's over for this dog!

You're not doing your dog any favours letting her ride in the back of a pick-up truck. Besides risking eye injury from wind blown debris, dogs are easily jolted out of open pick-ups and often suffer crippling injuries or death.

Use a protective kennel secured to the truck bed or let your best friend ride safely in the cab.
