HELP WANTED**Regional Safety Supervisor (Yukon Division)**

Skookum Asphalt, a Division of Terus Construction Ltd. is seeking a dynamic individual to join our team as our **Regional Safety Supervisor**. Terus Construction is a leader in the construction industry in BC and the Yukon specializing in road construction, ready-mix concrete, aggregates and civil construction. The position reports directly to the Area Manager and is based out of our regional office located in Whitehorse, Yukon.

Skookum Asphalt offers:

- Competitive compensation package with comprehensive benefits and pension plans
- Professional development opportunities through education, training and experience

For a complete job description and to submit **your cover letter and resume**, please visit our website www.terusconstruction.ca.

Posting closes December 1st, 2017.

Terus Construction Ltd. would like to thank all applicants for submitting their **cover letter and resume**; however, only applicants selected to be interviewed will be contacted.

POWER GENERATION TECHNICIAN WHITEHORSE, YUKON

ATCO Structures & Logistics is a North American leader in technical services and facilities management for the telecommunications, resource, transportation, utility and defense sectors. Our Joint Venture with the Northern Aboriginal Services Company has an immediate requirement for a Power Generation Technician, to maintain diesel power generation systems at telecom sites in Yukon & northern BC.

The Power Generation Technician will provide scheduled preventive maintenance on diesel generators at remote sites, unscheduled repairs and emergency response to correct diesel generator failures and other related problems, and periodic installations of generators and related equipment.

Inspections of fuel systems, fuel tank dips and reporting as well as associated fuel supply problems that may arise.

The position requires regular travel by truck and helicopter to remote sites in northern BC, and Yukon.

The successful candidate will be a diesel or heavy equipment mechanic (Journeyman/Apprentice or Equivalent experience) with a valid driver's license. Candidates should have a minimum of 5 years' experience maintaining and repairing diesel generators; trouble shooting and repairing mechanical and electronic engine controllers; and repairing other equipment associated with remote diesel power generation. A demonstrated ability to work independently and "get the job done" thoroughly, efficiently and safely is essential.

ATCO Structures offers a competitive pay and benefits package. Qualified individuals are invited to apply on or before December 22nd to:

Administration Coordinator
 ATCO Structures & Logistics.
 #210-1100 Front St., Whitehorse, Yukon Y1A 6K6
 Fax: (867) 667-4820 or e-mail alberta.weber@atcosl.com

Whitehorse Star, Monday, May 4 1992

City Resident Makes Polar History

Whitehorse resident Martyn Williams has become the first Canadian to reach both poles of the earth using only skis and a small dog team.

Williams, 44 and his three companions on the International north Pole Expedition were picked up Saturday after six grueling weeks of fighting severe temperatures, driving winds, and tough, unpredictable sea ice.

All four members of the group are South Pole veterans. Australian Mike McDowell 44, accompanied Williams to the South Pole in 1990. Norwegian brothers Sjur, 27, and Simen Modre, 29, traveled to the South Pole in 1991.

Many people have reached both poles without mechanized assistance. Until now, only Briton Robert Swan traveled from South to North.

The group is now resting at the advance base on Ellesmere Island before they return tonight to Resolute Bay, N.W.T.

Tough terrain slowed progress for the first few weeks. However, the expedition traveled more than 25 kilometers a day in the last couple of weeks to make up for last time.

They had to reach the pole by May 12. After that date, warming temperatures cause fog and broken ice, which makes air pick-up impossible.

"But part of it was because they just really wanted to get out ...

Made it! Yukoner Martyn Williams, right, completed the international North Pole Expedition is six weeks along with Mike McDowell and brothers Sju and Simen Modre, at left.

Soak up a little Yukon history.

The Whitehorse Star web site has more to offer than daily news, classifieds and editorials. You'll find news stories of the past (1900 up to 2000) taken from the archives of the Whitehorse Star. Be informed of the Past and the Present... Check it out!!

1962 News from the Whitehorse Star

Kuzma Murder Trial Underway Here

Twenty-eight witnesses were scheduled to be heard in the murder trial of Nicholas Kuzma in connection with the August 18, 1961 death of Canadian Customs man Roy Wilson. Kuzma was arrested in Haines on the 20th.

Because the charge is one of non-capital murder Mr. Justice John Parker told the jurors he would not confine them during the trial. Kuzma is being defended by Gordon King with Stuart Enderton as crown prosecutor. The trial commenced Tuesday and should end tomorrow.

Wilson's bruised and bloody body was found lying about fifty feet from the Alaska Highway at mile 1207.3 on the west side of the right-of-way by Customs Officer Clayton Skelton. Wilson was wounded 11 times about the neck and chest, his face was gashed and bruised and his upper right forearm was broken.

Dr. W. R. Buchan yesterday told the court Wilson died from a wound in his heart. His jugular vein was punctured and also his windpipe. Shown a jack-handle which RCMP Cpl. Steve Penteliuk of Haines Junction found near the body, Dr. Buchan agreed a tool of that nature could have caused some of the wounds.

Evidence showed that Kuzma and Wilson had been travelling together on the night of August 17. They spent about six hours at the bar of Seaton's Lodge in Alaska at Mile 1235. William Seaton owner of the lodge, testified Wilson had been obnoxious for about two hours of his stay and had used obscene language. At one point Seaton offered to hit Wilson unless he apologized to Mrs. Seaton for a remark made to her. The two men had been at the lodge separately on other occasions but this was their first visit together.

Seaton also described a fight which

took place outside his lodge in the parking area after Wilson and Kuzma had left early in the morning of the 18th. He told the court he had seen Wilson hitting at Kuzma while Kuzma sat in the driver's seat of the car and Wilson stood outside. Then Kuzma got out, knocked Wilson down and placed one knee on him, hitting Wilson several times. After this they drove away together.

RCMP Cpl. James Ballentyne, who is with the identification branch, described the scene where the body was found. He said there were tire marks between the soft shoulder of the road and the beginning of the bush. They crossed the ditch that separated them. The bush was quite dense but appeared to have been trampled upon. Wilson was lying on his back with one arm across his chest. His shirt was open with all but one button missing. He was wearing only one shoe and sock. A black leather shoe was found 30 feet from the body and a sock was found hanging on a nearby bush. A few feet from the body there was an area covered by a "red substance" about one foot in diameter.

Cpl. Ballentyne said there were "scrape" indications on the back of Wilson's trousers.

Cpl. N.P. Schiml of the RCMP lab at Regina testified regarding a jack and jack handle mechanism. He said the jackhandle could have made marks that appeared on the mechanism but he could not positively identify them. The jack mechanism had been found in Kuzma's car.

Miss Marlene Pierce from the police lab said she had identified blood on the jack handle but could not identify the group.

Wilma Lee and Russell Allan, both of whom were at Seaton's on the night in question, testified regarding Wilson's unruly behaviour. Mrs. Lee said Roy

Wilson appeared to be trying to start trouble while Nick Kuzma tried to settle him down.

She saw Kuzma again the next morning at White River Lodge where she was then residing. He appeared to be "more or less in a state of shock."

Traveler Garth Fuller from Iowa recalled seeing a man without a shirt step from a car a few miles North of the Canadian Customs early on the 19th and motion him to stop. Fuller did not stop. Later, as he was leaving the customs office, a man who appeared to be the same person drove up to the office.

Customs Officer Clayton Skelton met Kuzma as Fuller was leaving the border office. Kuzma told him there had been a little trouble at Seaton's. He said Wilson had asked him to speak to Clayton concerning having someone else cover his shift as he would not be back for a day or two.

He claimed Wilson had been making a pass at a girl and the man she was with had become angry. Then, Kuzma told Mr. Skelton, Roy had got mad and refused to return with him.

Later in the day Mr. Skelton drove to Snag where he spoke to Russell Allan. On his return to the customs office at about 6 p.m. he spoke to customs officer Ken Watts and as a result of these conversations, drove along the highway to the vicinity of Mile 1207.3 with a friend, Lilly Ewchuk, looking for car tracks in the ditch. Miss Ewchuk spotted Wilson's body.

Note: Nicholas Kuzma, 37, was sentenced to fourteen years in jail after being found guilty of manslaughter in the death August 18, 1961 of Roy C. Wilson, Canadian Customs official. Mr. Justice John Parker imposed the sentence.

The Whitehorse Star, March 8, 1962

RESOURCE PERSON

Joint Secretariat
– Environmental
Impact Review Board

We want you to come and work with our diverse, energetic and dedicated family! The Joint Secretariat is seeking a highly motivated and dedicated person to provide administrative support to the Environmental Impact Review Board (EIRB) established pursuant to the Inuvialuit Final Agreement.

The position involves establishing and maintaining effective relationships with a varied group of stakeholders, meeting and workshop coordination, and EIRB process administration as well as general office organization. Strong interpersonal skills coupled with good written, word processing and information technology skills are essential. Familiarity with basic financial management and awareness of regional natural resource management issues is considered an asset.

Applicants should have a minimum of grade 12 or equivalent experience/qualifications relevant to the position, should be well organized with strong communication skills and be prepared to work in a diverse setting.

Knowledge of the Inuvialuit Final Agreement and 3 years of progressive environmental / business / project management experience relevant to natural resources is preferred. Previous experience working with aboriginal land claimant or other aboriginal organizations is considered an asset.

The position is based in Inuvik, N.W.T. and travel within the Inuvialuit Settlement Region is often required.

The successful applicant will report to the Executive Director, Joint Secretariat - Inuvialuit Settlement Region.

Preference will be given to qualified Inuvialuit applicants.

Salary will commensurate with the qualifications and experience of the successful candidate. The benefits package includes a Settlement Allowance of \$5,425, Housing Allowance of \$6,500, Pension Benefit of 6% of base salary (all benefits are per annum). There is also a Vacation Travel Benefit of \$4,000 after one year on the job. A detailed job description is available upon request

Closing Date: December 10, 2017

Applications should be sent to:
