HELP WANTED**Quality Control Technician
Whitehorse**

Skookum Asphalt, a well-established company based in Whitehorse Yukon, has an immediate opening for a Quality Control Technician. Skookum Asphalt is part of the Terus Construction Ltd. group of companies, which is a leader in the construction industry in British Columbia and the Yukon Territory.

This position will be based out of Whitehorse and will report to the Quality Control Supervisor.

To succeed in this position you must have a good understanding of Quality Control and Assurance testing procedures used specifically in asphalt paving construction and aggregate crushing operations. You are also a self-starter, function well within a team environment while being capable of working independently. You must demonstrate strong problem solving and communications skills. Candidates must be flexible and mobile as per the nature of the work some travelling is required.

Core Duties/Responsibilities:

EMPLOYEE DUTIES / TASKS

- Conduct testing procedures during aggregate production and asphalt concrete pavement production and laydown.
- Write Quality Control Testing Reports and conduct lab correlation with Quality Assurance Testing Agency.
- Display good communication with supervisor, crushing sub-contractors and asphalt plant and paving foremen
- Ensure compliance with the Company's procedures with sampling, testing and reporting of test results for materials being constructed.
- Ensure maintenance, reports of incidents, and reports of improper working condition of all equipment associated with lab testing activities.
- At all times, conduct business under his/her responsibility with professionalism and respect
- Ensures that testing activities and operations are performed in compliance with health & Safety regulations.

Requirements/Skills

- Good communication skills (oral & written) and team player
- Accuracy in reporting
- Excellent time management skills
- Computer Literate
- Driver's License

Experience/Education

- CET in Civil Construction with related experience to construction materials testing or 5 years directly related experience in construction materials testing would be an asset.

We offer a competitive compensation package with a comprehensive benefit plan.

Please e-mail your resume to gay.haines@skookumasphalt.yk.ca

Terus Construction Ltd. would like to thank all applicants for submitting their resume. However, only applicants selected to be interviewed, will be contacted.

1969 News from the Whitehorse Star

LIQUOR VOTE SET FOR JUNE 23

All Yukon residents, 19 years and up, will be asked to answer this question on Monday, June 23:

“Are you in favour of lowering the legal age for the consumption of alcoholic beverages from 21 years to 19 years of age?”

Commissioner James Smith announced the date and terms of the plebiscite this morning. It is believed to be the first time in Canada that underage voters will have had an opportunity to express their opinions on a question which directly affected them.

There will be no enumeration of voters, and no voters list compiled for the plebiscite, which will be conducted by Federal Returning Officer Harold J. MacDonald of Whitehorse. Instead, each voter will swear an affidavit that they are of the full age of 19 and they were ordinarily resident in the Yukon Territory on March 20, 1969. This was the date on which Yukon Territorial Council approved the idea of the plebiscite being held.

1901 News from the Whitehorse Star

Space All Contracted

During the past few days the traffic department of the White Pass & Yukon Route has contracted in advance for all the cold storage space on its rail and steamer lines from Skagway to Dawson for the entire season.

The contracts held amount in the aggregate to 1000 tons of freight. This will be chiefly fruits, fresh eggs, poultry, fresh meats, and vegetables.

This is an entirely new business in Alaska transportation annals. The construction of

three new steamers on the upper Yukon by the White Pass company, equipped with cold storage apparatus, was the last step taken in the matter of arranging or cold storage shipments this year by the traffic department.

The steamers equipped in this manner are the Ogilvie, McConnell and Dawson. Each will have a capacity of 20 tons. Skagway News.

The Whitehorse Star, May 15, 1901
