News from the Whitehorse Star 1901

A Night's Stampede

Monday's stage from Dawson brought to White Horse the first news of a rich find of gold on a small creek below Selwin and about seven miles this side of Island Point roadhouse and running into the Yukon from the west bank.

The creek was prospected late last fall by a Frenchman named Mascot, and instead of recording the location at once the prospector waited until he received from below an assay of the ore secured, and this only reached him about ten days ago. Mascot at once staked his claim and a week ago Monday went to Selkirk to have it recorded. The telegraph office at Selkirk is not far from the office of record and – nobody knows how it happened – in some way the people at Selwin were advised of the discovery almost as soon as the claim was placed on record.

There was a rush of gold seekers inaugurated not only from Selwin but from Renton roadhouse and other points along the trail, and before daylight on Tuesday the entire creek had been staked. One of

the drivers for the C.D.Co., was one of the first to hear of the new find and at midnight Monday, after mushing from Renton, staked one of the first claims above Mascot's discovery.

By daylight Tuesday 29 claims were staked and as soon thereafter as possible were placed upon record at Selkirk. Mascot had intended to tip the find off to a coterie of his friends as soon as he had recorded his own claim and was much surprised when he returned to the creek and found it looking like a thriving mining camp with two dozen tents put up at intervals along the gulch.

Mascot has given out that the gold secured is very rich, going strong at \$18 to the ounce, but has nothing to say as to how much to the pan he secured. He has not as yet reached bedrock, but is well satisfied that he has struck a rich placer claim. The creek has been named Mascot after the discoverer.

TIPS ON HOW TO WRITE A
CLASSIFIED AD THAT SELLS

1. Use a **KEYWORD**. This immediately tells the reader exactly what it is you have to sell.

2. Make your description **CLEAR** and **FACTUAL**. State the year, make, model, color, size and tell what condition the item is. Also state the special features.

3. State the **PRICE**. Successful Classified advertisers have learned that the price in an ad helps increase the chances for results.

4. If there's a genuine sense of **URGENCY**, say so. The words, "We're Moving" or "Must Sell Fast" suggests that readers respond immediately.

5. Include your **PHONE NUMBER**, Classifieds get results fast and often generate immediate sales. If you cannot be available to answer the phone at all times, be sure to specify special calling times such as "after 6PM" or "before 11AM".
