1901 News from the Whitehorse Star

Space All Contracted

During the past few days the traffic department of the White Pass & Yukon Route has contracted in advance for all the cold storage space on its rail and steamer lines from Skagway to Dawson for the entire season.

The contracts held amount in the aggregate to 1000 tons of freight. This will be chiefly fruits, fresh eggs, poultry, fresh meats, and vegetables.

This is an entirely new business in Alaska transportation annals. The construction of

three new steamers on the upper Yukon by the White Pass company, equipped with cold storage apparatus, was the last step taken in the matter of arranging or cold storage shipments this year by the traffic department.

The steamers equipped in this manner are the Ogilvie, McConnell and Dawson. Each will have a capacity of 20 tons. Skagway News.

TIPS ON HOW TO WRITE A CLASSIFIED AD THAT SELLS

1. Use a **KEYWORD**. This immediately tells the reader exactly what it is you have to sell.
2. Make your description **CLEAR** and **FACTUAL**. State the year, make, model, color, size and tell what condition the item is. Also state the special features.
3. State the **PRICE**. Successful Classified advertisers have learned that the price in an ad helps increase the chances for results.
4. If there's a genuine sense of **URGENCY**, say so. The words, "We're Moving" or "Must Sell Fast" suggests that readers respond immediately.
5. Include your **PHONE NUMBER**. Classifieds get results fast and often generate immediate sales. If you cannot be available to answer the phone at all times, be sure to specify special calling times such as "after 6PM" or "before 11AM".

If you need assistance ask one of our friendly AD-VISORS to help you word your ad.
