Help Wanted

Pelly
Construction Ltd.

Waiting for your seasonal job to start, but ...

- Sitting at home just isn't your thing;
- All your "honey-do" projects are done and day time TV just sucks;
- Want to make some extra cash to pay off those holiday debts?

We may have just the thing for you! Pelly Construction has a Special Project at the Minto Mine Site where we need a skilled Heavy Duty Equipment (dozer/loader/grader/excavator) operator to mine a switchback.

Enjoy the clean, new camp with updated recreational facility, free Wi-Fi, active recreational clubs and a great crew! You will work on a schedule of 2 weeks on and 2 weeks off with 10 - 11 hour daily shifts, so there is still plenty of time to spend at home with your family or go travelling!

If this sounds good to you, please give us a shout. Send us a resume or drop by the office - we are open Monday through Friday from 8AM until 5PM. 667-6161 - 111 Industrial Road (beside Integra Tire)

**PACIFIC**
TRUCK & TRAILER REPAIR**Journeyman Heavy Duty Mechanic**

Key Responsibilities: This position is responsible for safely completing all fleet and commercial mechanical repairs to trucks, trailers, and other equipment at our shop in Whitehorse, Yukon. Ideally you have achieved your journeyman status of the Heavy Equipment Technician, Heavy Duty Equipment Mechanic or Truck & Transport Mechanic program and are able to diagnose and complete repairs on all aspects of heavy equipment. This position will also entail completion of work orders, offering direction and assistance to apprentice mechanics, and any other duties applicable to the job.

Wage: Starting at \$40.00/hr and up, based on experience along with medical and insurance benefits.

Schedule: This position has a Monday through Friday work week, with shifts from 8:00am - 5:00pm and overtime and weekends as needed.

Qualifications and Skills:

- High School Diploma
- Red-Seal Journeyman status in Heavy Equipment Technician, Heavy Duty Equipment Mechanic and/or Truck & Transport Mechanic
- CVIP License is an asset, or must be willing to obtain.
- Previous experience with repair of on-road heavy duty equipment is an asset
- Strong mechanical aptitude and demonstrate the willingness to learn
- Excellent interpersonal skills with proven leadership ability
- Ability to triage the work in the Mechanics shop
- Knowledge of the technology side of the Mechanics job would be a huge asset as well.

This is a tremendous opportunity for a dynamic, ambitious and enthusiastic individual looking for a career with a vibrant and growth oriented company. If this sounds like something that would interest you, we want to hear from you.

Our preferred method of application is to email resumes to sheldon@pnwgroup.ca

We would like to thank all candidates in advance for their interest in this position, however only those being considered will be contacted.

Applications are being accepted until December 19th 2014.

Help Wanted

Production Department | Layout/Design

The Production Department of the Whitehorse Star requires a full time layout/design person.

Applicant must have Macintosh computer experience; accurate typing skills at 45wpm; be knowledgeable in page layout and design; the use of software programs such as InDesign, Photoshop, Illustrator and Quark Xpress are a must. The ability to take direction, meet daily deadlines and be able to work amiably in a group is an equally important requirement for this position.

This is a full time position Monday to Friday.

Position starts January 5th, 2015
Wages commensurate with experience.

1959 News from the Whitehorse Star

Triple Tragedy Stuns Territory

Shock and sadness descended upon the territory Saturday, clouding the sunny weekend and bringing grief throughout the Yukon. Dead in a triple tragedy at Pine Lake were Reverend Stanley Watson, 33, of Haines Junction, his father, James Watson 58 and Bill Hough, 34, superintendent of the experimental farm, at Mile 1019.

The trio were drowned on a fishing trip when, apparently, their 12 foot fibreglassed boat capsized. The numbing cold of the water prevented them from swimming to shore and the small boat did not float to provide a place of refuge.

Pine Lake is a few miles from Haines Junction on the Alaska Highway. It is a fishing spot frequented by many Junction residents.

The boat was found in about 12 feet of water, the prow just showing above the surface. It had been powered by a three-horsepower motor. Evidence indicated the men had finished fishing and were about to return to shore. The bodies were recovered by searchers from the Junction.

Funeral services for Reverend Watson were held at Haines Junction at 7:30 p.m. yesterday. Rites for Mr. Hough will be held in Chesterfield, Ontario. A memorial service for the agriculturalist was also held at the Junction.

Masonic rites were held in Whitehorse for Mr. Watson senior at 2:30 this afternoon.

1019 Superintendent

Bill Hough was born August 18, 1925. After being educated at Chesterfield Public School and high school he joined the army. Leaving the army, he entered Ontario Agricultural College where he graduated with a BSc in animal husbandry. After one year with the department of agriculture he returned to University graduating from Cornell University with a MSc in animal physiology.

He spent two years in Ottawa with the civil service then came north in June of 1956 to take the post of superintendent of the experimental farm at 1019

During his term there, he served as magistrate and coroner for two years.

He was a member of the Professional Institute, the Agricultural Institute of Canada and of the Masons.

President of the Community Club in 1957 he was a director of the organization in 1958 as well.

On the threshold of a promising career, his abilities were summed up by Commissioner F.H. Collins who said he was a civil servant of the very highest type, keen minded dedicated and enthusiastic.
