Truth is an essential part of any successful ad campaign. Smart advertisers have known this for years. That's why the advertising industry created the *Canadian Code of Advertising Standards* more than 40 years ago. Since then the Code has set the standards for acceptable advertising in Canada. It helps ensure that the ads you see and hear are truthful, fair and accurate. Check it out for yourself. Because the more you know about advertising, the more you get out of it.

One Quick Turn...

and it's over for this dog!

You're not doing your dog any favours letting her ride in the back of a pick-up truck. Besides risking eye injury from wind blown debris, dogs are easily jolted out of open pick-ups and often suffer crippling injuries or death.

Use a protective kennel secured to the truck bed or let your best friend ride safely in the cab.
