We are Fairbanks' first and only free-standing outpatient surgical facility. We have openings available for the right candidates. No weekends, no on-call responsibilities, competitive salaries and bonuses. Sign-On bonuses may also be negotiated.

Applications are being accepted for RN's to fill Recovery Room, Pre-op, and Stage II Post-op levels of care. Because we are an outpatient ambulatory facility, our patients are typically healthy and do not require intensive nursing care that are seen commonly in full in-patient hospital environments. This creates a pleasant work environment with low stress.

For RN's interested in periodic work, we have occasional overnight observation patients that require nursing during those stays. If you would be interested in being on our list of float pool for those occasional overnight patients, please call us.

If these opportunities sound interesting to you, please visit our website at www.scfairbanks.com and call Rudy Martinez at **907-350-4306** or email at rmartinez@scfairbanks.com
