Coordinator/Instructor, Prevention of Violence Against Women Program

Hets'edän Kú'

(Pelly Crossing Community Campus)

School of Community Education & Development

Hourly Rate: \$32.94 to \$37.06

Competition No: 15.45

Initial Review Date: April 27, 2015

Yukon College is looking for a qualified individual to coordinate, on a casual basis, a 2 year Prevention of Violence Against Women program. The position will work with local committees and focus groups to design and deliver a series of workshops in Pelly Crossing and will initiate an education promotional campaign to be used in rural Indigenous communities across the Yukon.

Candidates should be prepared to work in a small Northern community with the ability to coordinate all logistics related to the program. Previous experience in community development and a demonstrated rapport working with Yukon First Nations governments and agencies is essential.

Qualified candidates should have a post-secondary degree in a related field (i.e., Bachelor of Social Work or Women's Studies) experience designing and delivering workshops, instructional experience or a demonstrated experience/interest in teaching adults, strong communication skills, and have a collaborative approach to problem solving. Knowledge of graphic design and document layout would be considered an asset.

For more information please contact either:

Help Wanted

CHIEF ADMINISTRATIVE OFFICER

Who we are

Dawson City, Yukon, is home of the Klondike Gold Rush and the heart of Tr'ondëk Hwëch'in Traditional Territory; we're proud of our mining heritage and First Nations roots that run millennia deep. We're a thriving cultural community—with a post-secondary arts school, several world-renowned festivals, and burgeoning TV and film industry—that borders an outdoor playground sprawling hundreds of kilometres in either direction.

Mining, tourism, culture, and our people are the foundation on which our town stands, and we respect personal freedoms and diversity of all definitions. We're a welcoming town and a great place to make a life and raise a family.

Through solid planning and focused effort, our town has tackled municipal challenges, developed our municipal infrastructure, and grown our community. We're looking for the right person to lead us in the next steps of advancing our town.

Who you are

You are a strong leader with a background in municipal administration. You have the academic and experiential backgrounds that will help you manage the overall operation of the municipality, including financial and human resources, strategic planning, project management, and policy and bylaw development. You can establish clear goals for senior staff and help them work towards meeting their objectives.

As Mayor and Council's only employee, you appreciate and understand governance practices and procedural rules. Under Council's strategic direction, you will develop and implement policies and programs that meet the needs of residents, including public works, protective services, recreation, community and economic development, and a municipally operated cable television system.

You are confident in leading a team of 25 employees to meet the goals of the municipality and expectations of municipal service. You possess excellent interpersonal and communication skills, and are comfortable working with the public in a high-profile position.

If this position interests you, please submit your resume and covering letter clearly demonstrating the qualifications outlined below, as selection for further consideration will be based solely on the information you provide.

- A post-secondary degree in Public or Business Administration;
- Five years senior management experience overseeing a department or organization;
- Developing and implementing policies and programs, including bylaw enforcement;
- Experience in managing, building, leading, and motivating a team in a unionized environment;
- An understanding of the principles of project management and business plan development;
- Experience managing financial resources, including development of operating and capital budgets;
- Experience working with First Nations Governments;
- Experience working with the public, boards, and elected officials;
- Ability to interpret and apply Federal, Provincial/Territorial and Municipal statutes, regulations, and programs;
- Discretion, tact, compassion, and good judgment;
- Excellent communication skills, both oral and written.

Applicants able to demonstrate an equivalent combination of education and experience may be considered.

Closing Date:

A current resume (with three references) and covering letter must be received at the City of Dawson Administration Building by 4:00 pm on May 13, 2015. Applications to this position may be submitted by mail, email, or fax to the following:
