Seeking Chief Administrative Officer

The Town of Watson Lake, a vibrant, multi-cultural community of 1,500 situated at the Gateway to the Yukon on the world famous Alaska Highway, is seeking to appoint a chief administrative officer pursuant to the Chief Administrative Officer Bylaw, who is service-oriented and possesses management and communication skills with a strong sense of community.

Reporting directly to the council with professional advice and support in the development and implementation of public policies and strategies, the chief administrative officer is responsible for general management and delivery of effective and efficient public services.

In making an appointment, the council shall be guided by position description and may select the person whose qualifications and training accord most closely therewith and may give preference to those individuals whose training and or experience is in the fields of public and, or municipal, administration, although candidates demonstrating equivalent education and, or, experience will be given consideration.

The ideal candidate will be a person of integrity possessing excellent leadership, communication and interpersonal skills, having knowledge of accounting and budgeting procedures and practices supplemented by a strong background in municipal or related administration, augmented by a positive track record working within the public sector and experience working with stakeholders supported by relevant post-secondary education or a combination of training and experience in strategic planning, team-building, unionized labour relations, planning and implementation in a municipal setting.

Candidates having successful management experience in the municipal, federal, provincial, territorial and first nations public sectors organization, preferably as chief administrative officer, acting chief administrative officer, town clerk or senior manager, are encouraged to apply.

The candidate should enjoy the challenge of utilizing all available resources to achieve the goals and objectives of the community and Council. Experience living in a small rural community and familiarity with the socioeconomic challenges facing communities in northern Canada.

Strong and competent support staff, along with competitive remuneration and benefits, commensurate with education and experience, are available to the successful candidate.

The council looks forward to receiving your expression of interest and current résumé by 4:00 p.m. May 22, 2015. The position description, Chief Administrative Officer Bylaw, Job description and benefit package will be forwarded upon request. We appreciate the interest of all those responding; however, only those considered for an interview will be contacted.

For further information please do not hesitate to call us.

JOIN US FOR A TRULY NORTHERN EXPERIENCE

The Village of Teslin is the gateway to the Southern Lakes and is strategically located where the Nisutlin River flows into Teslin Lake. It is a scenic community rich with cultural history. Teslin is a unique rural community that serves a population of 450 people of which roughly 2/3 are of Inland Tlingit First Nations ancestry. The area boasts great hunting and fishing and the community has fantastic infrastructure which includes a recreation complex that has an exercise facility, arena and curling rink with artificial ice, public dock and marina, and playgrounds; and an exciting future.

Mayor and Council of the Village of Teslin invite applications for

RECREATION PROGRAMMER

The Recreation Programmer reports to the Chief Administrative Officer and is responsible for the planning, delivery and administration of recreation programming for the community of Teslin for all age groups, tots to seniors. A key responsibility of the position is to determine the recreation, creative and sporting activity needs of the community. Developing a budget and tracking and monitoring costs are part of the job. The successful candidate will be expected to work irregular hours in order to coordinate activity on weekends, general holidays and in the evenings. He or she will be highly organized, energetic and motivated in the area of recreation.

Be a positive role model through a fun approach to active living.

The successful candidate will have a degree or diploma in recreation planning and delivery or in a related field and a minimum of one year related experience or an equivalent combination of education and experience. Experience instructing various programs such as fitness, cultural, sports, and preschool will be an asset. Knowledge of the local and northern cultural and political environment is important to establish context for many activities. This is a full time permanent position, however to assist us with our summer programming we would consider a shorter term.

A complete job description is available by calling 867-390-2530 or email shelley.hassard@teslin.ca
