JOIN US FOR A TRULY NORTHERN EXPERIENCE

The Village of Teslin is the gateway to the Southern Lakes and is strategically located where the Nisutlin River flows into Teslin Lake. It is a scenic community rich with cultural history. Teslin is a unique rural community that serves a population of 450 people of which roughly 2/3 are of Inland Tlingit First Nations ancestry. The area boasts great hunting and fishing and the community has fantastic infrastructure which includes a recreation complex that has an exercise facility, arena and curling rink with artificial ice, public dock and marina, and playgrounds; and an exciting future.

Mayor and Council of the Village of Teslin invite applications for

RECREATION PROGRAMMER

The Recreation Programmer reports to the Chief Administrative Officer and is responsible for the planning, delivery and administration of recreation programming for the community of Teslin for all age groups, tots to seniors. A key responsibility of the position is to determine the recreation, creative and sporting activity needs of the community. Developing a budget and tracking and monitoring costs are part of the job. The successful candidate will be expected to work irregular hours in order to coordinate activity on weekends, general holidays and in the evenings. He or she will be highly organized, energetic and motivated in the area of recreation.

**Be a positive role model through a fun approach to active living.**

The successful candidate will have a degree or diploma in recreation planning and delivery or in a related field and a minimum of one year related experience or an equivalent combination of education and experience. Experience instructing various programs such as fitness, cultural, sports, and preschool will be an asset. Knowledge of the local and northern cultural and political environment is important to establish context for many activities. This is a full time permanent position, however to assist us with our summer programming we would consider a shorter term.
