WANTED

A few great people who love to drive

STANDARD BUS YUKON is looking for charter and school bus drivers.

We are a very safety minded company committed to our employees, our communities, our children and all Yukoners.

If you are a stay at home mom or dad, retired or semi-retired or maybe you just want to get back into the work force this could be the part time job for you, and spare drivers are always needed if you want just a few hours a week.

If you have a clean driving and criminal record and able to pass a drug and alcohol test this rewarding job opportunity could be for you. Emergency first aid and CPR as well as a class 2 driver license are all part of the qualifications needed.

If being part of child's education by getting them to and from school safely and in a comfortable environment is important to you then we will help you get the above qualifications needed, with your commitment, we can make this happen.

It is a part time job 4 hours a day for school year but more hours are available if you want them.

For those stay at home parents arrangements may be possible for you to take your pre-school child with you on your bus run if you qualify.

IT'S A JOB YOU WILL LEARN TO LOVE

Start Flats Move

Removal of buildings from squatter areas in Whitehorse is to commence at once. Northern affairs and territorial officials made the announcement today.

The first step will be moving all buildings not being used for residential purposes. Areas involved include Crown land on Whiskey Flats, Moccasin Flats, Sleepy Hollow, West of Eighth Avenue and on the Two Mile.

The government will move these buildings without charge at the request of the owners to privately owned or leased land anywhere within a 10-miles radius of the city.

The free move applies only to buildings which meet the standards of the area to which they are to be moved. Detailed information concerning the proposed move is available at Room 306 in the federal building.

The government spokesmen said residential buildings will be moved at a

later date.

Initial announcement of the program for clearing these areas was made prior to the Lot 19 plebiscite. At that time the government indicated it intended to remove buildings from the various squatter areas where Crown land was involved.

Territorial subdivisions to which buildings may now be moved, if they meet the standards, include Crestview at Mile 923 and Canyon Crescent at Mile 912. Seventy-five new lots will be available at Porter Creek upon completion of the plan of survey which is expected to be finished very soon.

A transient area, where land may be leased, is being cleared now North of the Two Mile Hill. Minimum standards will apply there, commensurate with health and sanitation requirements. It is expected to be open in early summer, dependent upon securing a good water supply.

One Quick Turn...

and it's over for this dog!

You're not doing your dog any favours letting her ride in the back of a pick-up truck. Besides risking eye injury from wind blown debris, dogs are easily jolted out of open pick-ups and often suffer crippling injuries or death.

Use a protective kennel secured to the truck bed or let your best friend ride safely in the cab.
