The "Short Man" Captured

Dawson, Feb. 28 – Wm. Brophy, the "short man" in the Dominion gambling house holdup which occurred here last fall, and for whom a reward of \$500 was offered, was captured last midnight at a roadhouse eight miles from Dawson on Bonanza Creek by four N.W.M.P.

He carried a rifle, but had no chance to use it as the police jumped on him from behind. In the scuffle that ensued Brophy was shot, but not dangerously. He was brought to Dawson and placed in jail this morning. All three men connected with the robbery (Tomelin, Harris, and Brophy) are now in custody.

Brophy held up a man on Bonanza four nights ago, robbing him of four ounces of gold dust, and it was from a description of the robber, given by the victim, that Brophy's whereabouts became known.

1901 News from the Whitehorse Star

Space All Contracted

During the past few days the traffic department of the White Pass & Yukon Route has contracted in advance for all the cold storage space on its rail and steamer lines from Skagway to Dawson for the entire season.

The contracts held amount in the aggregate to 1000 tons of freight. This will be chiefly fruits, fresh eggs, poultry, fresh meats, and vegetables.

This is an entirely new business in Alaska transportation annals. The construction of

three new steamers on the upper Yukon by the White Pass company, equipped with cold storage apparatus, was the last step taken in the matter of arranging or cold storage shipments this year by the traffic department.

The steamers equipped in this manner are the Ogilvie, McConnell and Dawson. Each will have a capacity of 20 tons. Skagway News.

Whitehorse STAR photo
MARTHA BENJAMIN - 1963

MARTHA BENJAMIN:
CANADIAN CHAMP

“Martha beats them all” a STAR headline proclaimed in 1963 when an Old Crow skier and mother of five children became the first Yukoner to win a national skiing title.

Twenty-five year old Martha Benjamin won the senior women’s cross country skiing title at the Canadian championships in Midland, Ontario. Her time over the 10 kilometre race was 43.29 minutes. And in 1989, 26 years after that historic event, Benjamin was inducted in the Yukon Sports Hall of Fame. “After all these years, I didn’t expect to receive something like this,” she said. “I just had it in me that I wanted to do it, and I did it,” she said of her win in Midland Ontario.

Benjamin and Ben Charlie were the only two skiers to attend the championships. Charlie ranked 11th in a field of 48. His toughest competition came from a group of Finns from Sudbury who swept the field.

Both skiers brought high credit and distinction (not to mention the publicity) to their community and to the Yukon as a whole. Star correspondent Edith Josie wrote before they left: “I had wire from Mr. Harry at Whitehorse. He said Ben Charlie and Mrs. Martha Benjamin will go to Ottawa for International Olympic Competition for skiers on February 13. Frank Cook will take them out. Everyone is very glad to hear these two will go out long travel. Hope they had good trip. Old Crow is little town and Father Mouchet is training boys and girls for the skiers. Now they even go way out to Ottawa. Sure big surprise for the people in Old Crow.”

Mouchet, an experienced ski instructor for the French army, designed a training program which is now called TEST (Territorial Experimental Ski Training). This program strives to stimulate and motivate children to discover themselves, develop self-reliance through a rigorous training schedule and gain self-confidence through a series of tough, but surmountable challenges.

Placer and Quartz Claimholders and Placer Prospecting Leaseholders

On April 1, 2020, Class 1 notification will be required for all Class 1 mineral exploration activities on mining claims and prospecting leases in Yukon.

If you do not have a current mining authorization to work your claims, you must submit a Class 1 notification form to the Yukon government a minimum of 25 days before starting Class 1 activities. Submit the notification as early as possible to provide adequate time for review.

For more information on how to submit your Class 1 notification, contact your district Mining Recorder office or visit yukon.ca/submit-class1-exploration-notice.
