The details are sketchy but here's what we know so far...

The inaugural game was played on Saturday, November 24, 1906 between the "B.Y.N." and "Police A" teams. The win went to "Police A" with the score board showing 20-13.

While the STAR dutifully announced each up-coming game and faithfully published all results; we never did state the actual rules. From reading through the write-ups we know they played in a "large hall" at the North Star Athletic Association. Somehow, the walls of the hall were incorporated as part of the "field". As we see in the picture here, they used a narrow baton-like bat and a rather large ball. The public was always "cordially invited" and there were "seats for ladies in the balcony."

The sport was so popular, games were scheduled each Monday, Wednesday and Saturday evening. (And in 1906 that schedule included games played on Christmas Eve and Boxing Day too - now that's dedication!)

*The Whitehorse Star, November 1906***TORNADO HITS WATSON LAKE****W**hat has been described as being a phenomena in this part of Canada occurred on Wednesday, September 9 between two and 3:00 p.m. when a tornado formed over Watson lake, raced down the far shore opposite the airport and up the bank to dissipate somewhere in the bush by the tank farm.

The tornado was accompanied by a short but extremely heavy hail storm with some of the stones measuring three-quarters of an inch in diameter.

Pete Koszuk, the only known eye-witness to the forming of the tornado said the water began to swirl and gradually lift off the surface.

Evidence of its violence can be seen on the path it took when it struck the lake shore. Poplar, jack pine and spruce trees varying in height 30 to 70 feet and four to 10 inches in diameter were uprooted and piled together like matches. Fortunately the tornado struck only the lake and the trees.
