DAWSONITES LIBERATED BY U.S. FORCES IN THE PHILIPINES

Provost Marshal-General Leech wired from Washington, D.C. on February 21 to Mr. and Mrs. McDuck McCuish in Dawson, Y. T. informing them that their son John and his wife Virginia, had been released by the U.S. Forces from the Japanese internment camp at Santo Tomas, Luzon Island in the Philippines.

Mr. and Mrs. John McCuish were on Mindanao Island when the Japanese captured the Philippines and managed to evade capture for about two years by hiding in the hills before they were forced to surrender.

TIPS ON HOW TO WRITE A CLASSIFIED AD THAT SELLS

1. Use a **KEYWORD**. This immediately tells the reader exactly what it is you have to sell.
2. Make your description **CLEAR** and **FACTUAL**. State the year, make, model, color, size and tell what condition the item is. Also state the special features.
3. State the **PRICE**. Successful Classified advertisers have learned that the price in an ad helps increase the chances for results.
4. If there's a genuine sense of **URGENCY**, say so. The words, "We're Moving" or "Must Sell Fast" suggests that readers respond immediately.
5. Include your **PHONE NUMBER**. Classifieds get results fast and often generate immediate sales. If you cannot be available to answer the phone at all times, be sure to specify special calling times such as "after 6PM" or "before 11AM".

If you need assistance ask one of our friendly AD-VISORS to help you word your ad.

Public Notice

The Government of Yukon gives notice of an application for rezoning in the Ross River Development Area as follows:

Rezone lots 114 and 115, LTO 29969 from PO – Park and Recreation and Open Space to M – Industrial

The purpose of the rezoning application is to allow for the development of two industrial lots to make available for public sale. Lots 114 and 115 are approximately 0.58 hectares each and are located 75 metres west of Prospector Street on Ketza Road in Ross River. There are no structures on these lots.

The current Parks, Recreation and Open Space (PO) zoning permits schools, non-commercial recreational facilities, parks and playgrounds, open space and cemeteries.

The proposed Industrial (M) zoning permits warehouses, construction outlets, metal work, automotive parts and sales, light manufacturing, plumbing and heating shops, building materials (exterior storage and sales), public works garages, maintenance yards, truck terminals, heliports, and any other typical industrial uses. This zoning also permits one single-family dwelling unit adjacent to and complementary with the principal building or use.

THE KLONDIKE HOCKEY TEAM
at Dey's Rink in Ottawa, January 14, 1905.

A CONSIGNMENT OF HOCKEY JUNK

It's not often a local hockey team has a chance to vie for the Stanley Cup, but it happened one time in Yukon history and the results of the contest make it probable that it will never happen again.

Hockey was big in the Klondike in 1904, and the competition so fierce that local promoters of the sport were looking for bigger and greater challenges. With the typical Yukon "if you're going to go for it, you might as well go for the top" attitude, Dawson organizers wrote to Ottawa challenging the World Champions to a Stanley Cup duel. The challenge was accepted.

The Klondike team sallied forth from Dawson to do battle with the Ottawa Invincibles, also known as "The Silver Seven."

Ottawa Hockey Team Won First Game of Series by Score of 9-2. The Dawson Hockey team went down in overwhelming defeat before the Ottawa Invincibles by a score of 23-2 in the second.

Snag Secures Notoriety As Being Coldest Spot N. American Continent

Approximately 175 miles northwest of here, but well within the Yukon Territory, lies Snag which has recently achieved notoriety as being the coldest spot on the North American continent. With temperatures hovering around "-82 below" it has occurred to some that given the right wave length, (and they have a wide range at Snag) residents there

could tune in and hear the angels singing!

We in the Yukon have certainly experienced a "cold spell" this past week or so, and not a little inconvenience resulting therefrom, but we are reliably informed weather conditions hereabouts are due to moderate for which we shall all be thankful, "Fair and Warmer" is what we are all looking forward to.

REQUEST FOR PROPOSALS
Da Ku Cultural Centre Strategic and Implementation Plan

Champagne and Aishihik First Nations would like to engage with prospective consultant(s)/contractor(s) to assist and support the development of a culturally-relevant strategic and implementation plan for Da Ku Cultural Centre that will guide the direction of community impact and work plans over the next five years.

Project Scope:

Draft a strategic and implementation plan that will:

- Review relevant CAFN historical, foundational and recent documents, to support the understanding of community needs and the spirit and intent of creating the Da Ku Cultural Centre;
- Include an engagement process to facilitate input from CAFN Citizens, staff, leadership, partners, tenants, and other stakeholders;
- Provide thematic review and summary of directives related to Da Ku Cultural Centre functions and programming;
- Include a document that reflects community and staff input and provides strategic planning and directives;
- Include an annual plan that outlines timelines and resources to meet identified goals and respond to the needs of the CAFN Community vision of DKCC functions; and
- Identify and consider potential economic opportunities.

Development of this plan will be completed in collaboration with the Senior Directors of Citizen Services and Nation Services to ensure timelines and draft summaries to meet targets.

Contract Period: 5 months from signing the contract, with final report no later than December 2020.

Requirements: The proposals will be evaluated based on the following:

- Completeness of overall proposal including the elements of background research and consultative engagement and community/stakeholder facilitation
- Relevant qualifications, and experience in conducting community wide engagements and product delivery based on project scope and desired outcomes
- Competitive costs analysis providing values of conduct and final delivery of product

Please send an email to kreid@cafn.ca for more information.

Deadline for Submission: 4:30 p.m. July 17, 2020

Using A Uot-2000a
Disc Trencher
Attachment

The Department of Energy, Mines & Resources is requesting information.

An information meeting is being offered to provide interested parties with an opportunity to clarify and confirm requirements of this EOI. Energy, Mines and Resources is seeking information regarding the potential for contractors to work with Forest Management Branch in the scarification of forest openings using a UOT 2000A disc trencher. The goal of this project is to increase the capacity for local silviculture industry to improve the regeneration of forests in areas that have undergone harvesting activities.

The information meeting is scheduled for: Wednesday, July 22, 2020 at 1300hrs.

The information meeting will be held at: Forest Management Branch - Mile 918 Alaska Highway, Whitehorse, Y1A 2C6

Proponents may also participate by video conferencing. To request this, please contact cory.chouinard@gov.yk.ca

This RFEL is not a tender and will not be used to evaluate, select, or pre-qualify vendors for a future competitive procurement process, if any. Submissions must be clearly marked with the above project title and will be received at:

Electronic copies may be sent by e-mail to Cory Chouinard, cory.chouinard@gov.yk.ca, (867) 667-8594.

The closing date for submissions is before 4:00:00 PM on July 30, 2020.

Technical questions may be directed to Cory Chouinard at (867) 667-8594.

Interested parties may obtain the information package from **View or download documents at:** <https://yukon.ca/government-contracts/> or by contacting the Procurement Support Centre 867-667-5385.
