City Resident Makes Polar History

Whitehorse resident Martyn Williams has become the first Canadian to reach both poles of the earth using only skis and a small dog team.

Williams, 44 and his three companions on the International north Pole Expedition were picked up Saturday after six grueling weeks of fighting severe temperatures, driving winds, and tough, unpredictable sea ice.

All four members of the group are South Pole veterans. Australian Mike McDowell 44, accompanied Williams to the South Pole in 1990. Norwegian brothers Sjur, 27, and Simen Modre, 29, traveled to the South Pole in 1991.

Many people have reached both poles without mechanized assistance. Until now, only Briton Robert Swan traveled from South to North.

The group is now resting at the advance base on Ellesmere Island before they return tonight to Resolute Bay, N.W.T.

Tough terrain slowed progress for the first few weeks. However, the expedition traveled more than 25 kilometers a day in the last couple of weeks to make up for last time.

They had to reach the pole by May 12. After that date, warming temperatures cause fog and broken ice, which makes air pick-up impossible.

"But part of it was because they just really wanted to get out ...

Made it! Yukoner Martyn Williams, right, completed the international North Pole Expedition is six weeks along with Mike McDowell and brothers Sju and Simen Modre, at left.

Soak up a little Yukon history.

Ta'an Kwäch'än Council

Employment Opportunity

Education and Employment Training Coordinator

Regular Full-Time Rate: TKC wage Level 7

Reporting to the Development Manager, the Education and Employment Training Coordinator (EETC) is responsible for administering the ISETS (Indigenous Skills Education Training Strategy) policies and operational plans for training development and employment opportunities for Ta'an Kwäch'än (TKC) citizens. The incumbent is responsible for the development of training strategies, proposals for funding, marketing programs; projects and budget management. This position will also act as the liaison with businesses, agencies, organizations, Federal, Territorial and private sectors to create training and employment opportunities for TKC members. As well, the EETC is responsible to develop and implement objectives and outputs of strategic plans, which pertain to adult education, training and employment initiatives in consultation with the Ta'an Kwäch'än Council First Nation community.

Closing date: Friday, September 11, 2020

As per policy, preference will be given to those of Aboriginal ancestry who self- declare in their cover letter and/or résumé.

Please submit a cover letter and résumé to:

DAWSON CRIMINAL RE-CAPTURED
AFTER A YEAR'S HUNT

SWAN HARRISON, AN INSANE PATIENT ARRESTED IN THE NORTHWEST TERRITORIES

Swan Harrison, who escaped from the Northwest Mounted police at Selkirk on the Yukon a year ago, has just been captured by members of the same efficient force at a point thousands of miles distant. Harrison has been taken a prisoner in the Northwest territories.

A telegram has been received by Major Wood at Dawson telling him of the capture of Harrison.

When Harrison escaped at Selkirk he was being taken out of the Yukon to New Westminster, B.C. as an insane patient. He had been arrested and convicted at Dawson some time before for stealing, had become insane while in prison and was transferred to the lunatic ward.

While the steamer was lying at Selkirk Harrison made a leap from the boat, and landing partly in the water walked ashore, scrambled away up the bank and ran into the woods before he could be overtaken. He and a number of other lunatics were in charge of Corpl. Stewart on the trip up the river. A short search was made for Harrison, but he could not be found, and the boat proceeded with the remainder of the party.

From traces obtained it is believed he went down the Yukon river and escaped by way of St. Michael or Nome. He is said to be from the States, but how it is that he should wander over into the Northwest Territories is scarcely understood. It was thought at first from the point at which the fellow turned up he must have taken a chance at the famous Edmonton trail and gotten through, but the idea is scarcely credited.

Whitehorse STAR photo
MARTHA BENJAMIN - 1963

MARTHA BENJAMIN:
CANADIAN CHAMP

"Martha beats them all" a STAR headline proclaimed in 1963 when an Old Crow skier and mother of five children became the first Yukoner to win a national skiing title.

Twenty-five year old Martha Benjamin won the senior women's cross country skiing title at the Canadian championships in Midland, Ontario. Her time over the 10 kilometre race was 43.29 minutes. And in 1989, 26 years after that historic event, Benjamin was inducted in the Yukon Sports Hall of Fame. "After all these years, I didn't expect to receive something like this," she said. "I just had it in me that I wanted to do it, and I did it," she said of her win in Midland Ontario.

Benjamin and Ben Charlie were the only two skiers to attend the championships. Charlie ranked 11th in a field of 48. His toughest competition came from a group of Finns from Sudbury who swept the field.

Both skiers brought high credit and distinction (not to mention the publicity) to their community and to the Yukon as a whole. Star correspondent Edith Josie wrote before they left: "I had wire from Mr. Harry at Whitehorse. He said Ben Charlie and Mrs. Martha Benjamin will go to Ottawa for International Olympic Competition for skiers on February 13. Frank Cook will take them out. Everyone is very glad to hear these two will go out long travel. Hope they had good trip. Old Crow is little town and Father Mouchet is training boys and girls for the skiers. Now they even go way out to Ottawa. Sure big surprise for the people in Old Crow."

Mouchet, an experienced ski instructor for the French army, designed a training program which is now called TEST (Territorial Experimental Ski Training). This program strives to stimulate and motivate children to discover themselves, develop self-reliance through a rigorous training schedule and gain self-confidence through a series of tough, but surmountable challenges.
