1902 News from the Whitehorse Star

The "Short Man" Captured

Dawson, Feb. 28 – Wm. Brophy, the "short man" in the Dominion gambling house holdup which occurred here last fall, and for whom a reward of \$500 was offered, was captured last midnight at a roadhouse eight miles from Dawson on Bonanza Creek by four N.W.M.P.

He carried a rifle, but had no chance to use it as the police jumped on him from behind. In the scuffle that ensued Brophy was shot, but not dangerously. He was brought to Dawson and placed in jail this morning. All three men connected with the robbery (Tomelin, Harris, and Brophy) are now in custody.

Brophy held up a man on Bonanza four nights ago, robbing him of four ounces of gold dust, and it was from a description of the robber, given by the victim, that Brophy's whereabouts became known.

YUKON'S GREAT SHOWING

Yukon Territory's contribution to the Empire and Allied cause in this war is nothing short of magnificent.

Despite the fact the region is remote and the people are engaged in struggling against primitive and exceptionally obdurate and severe conditions in pioneering, they have more than held their own in the war game.

Between four and five hundred men have gone from this territory direct to the war, meaning practically ten per cent of the population of Yukon are under arms in Europe. Were the whole of the Dominion, with its eight million people, to contribute in like proportion to Yukon there would be 800,000 men, or just twice as many enlisted from Canada today as there are. ...

The generous and patriotic spirit of Yukon deserves to be known throughout the Empire and Allied realm. If all the Empire were contributing in like proportion in men and money the assembled wealth and armies today would be far greater than they are. But these matters will adjust themselves.

Yukoners will continue to do a mighty share and uphold the tradition that the sons and daughters of the North are excelled by none in loyalty to the nation and to humanity.
