## A GRIM DEATH INDEED

Of all the accidents that  
can befall a person on a  
boat surely an explosion  
and fire is one of the worst.  
Three tons of black powder  
exploded on the Colum-  
bian's forward deck that  
fateful September day and  
the resulting fireball was  
carried the length of the  
ship by a downstream wind. Everyone in the immediate vicinity of the  
explosion would die, except for passenger Ernest Winstanley. He would  
be saved by his long underwear.The Purser, Lionel Cowper had been burned over his entire body. As  
was the medical custom at the time of the accident, he had been wrapped  
in an oily blanket and given strychnine pills. In Whitehorse, when it  
became obvious that he was going to die, massive amounts of "opiates"  
were administered, but relief lasted only minutes.*Hamacher photo/Muirhead coll./Yukon Archives.***WRECKAGE of the COLUMBIAN** - The
