Whitehorse STAR photo  
MARTHA BENJAMIN - 1963

**MARTHA BENJAMIN: CANADIAN CHAMP**

"Martha beats them all" a STAR headline proclaimed in 1963 when an Old Crow skier and mother of five children became the first Yukoner to win a national skiing title.

Twenty-five year old Martha Benjamin won the senior women's cross country skiing title at the Canadian championships in Midland, Ontario. Her time over the 10 kilometre race was 43.29 minutes. And in 1989, 26 years after that historic event, Benjamin was inducted in the Yukon Sports Hall of Fame. "After all these years, I didn't expect to receive something like this," she said. "I just had it in me that I wanted to do it, and I did it," she said of her win in Midland Ontario.

Benjamin and Ben Charlie were the only two skiers to attend the championships. Charlie ranked 11th in a field of 48. His toughest competition came from a group of Finns from Sudbury who swept the field.

Both skiers brought high credit and distinction (not to mention the publicity) to their community and to the Yukon as a whole. Star correspondent Edith Josie wrote before they left: "I had wire from Mr. Harry at Whitehorse. He said Ben Charlie and Mrs. Martha Benjamin will go to Ottawa for International Olympic Competition for skiers on February 13. Frank Cook will take them out. Everyone is very glad to hear these two will go out long travel. Hope they had good trip. Old Crow is little town and Father Mouchet is training boys and girls for the skiers. Now they even go way out to Ottawa. Sure big surprise for the people in Old Crow."

Mouchet, an experienced ski instructor for the French army, designed a training program which is now called TEST (Territorial Experimental Ski Training). This program strives to stimulate and motivate children to discover themselves, develop self-reliance through a rigorous training schedule and gain self-confidence through a series of tough, but surmountable challenges.

## AN ATLIN ROAD AGENT

**Masked Highwayman Holds Up a Stage in Real Western Style and Gets \$3.55**

Atlin has had a genuine stage holdup. The work of the robber was shockingly crude. His method, or rather lack of it, demonstrated that he was not an expert in the profession, and that he was thoroughly in want of experience.

It happened Monday evening, Sept. 16, about 8 o'clock. Walker's stage was enroute to Pine City from Atlin when a masked highwayman stepped out in the road and at the point of a Winchester commanded the driver to halt. The command was obeyed and the passengers were ordered to get out of the stage and line up with their hands in the air. Four of the passengers, Messrs. D. Patterson, C.H. Dewitt, J. Dillon and Mrs. Nelson took to the woods. The others were Driver Walker, Photographer Draper, T. Shirley, W. Waters, J. Emmett and Miss Maud Biggs.

They had considerable money about them, but most of them managed to lose their purses in the stage before leaving it. The highwayman's order to them, therefore, to throw their money in a pile on the road resulted in only \$3.55 being contributed to the road agent. This he sulkily picked up, and backing into the brush, he disappeared.

The police were immediately notified and vigorous search made for the daring robber, but up to late reports he has not been caught.

## YUKON'S GREAT SHOWING

Yukon Territory's contribution to the Empire and Allied cause in this war is nothing short of magnificent.

Despite the fact the region is remote and the people are engaged in struggling against primitive and exceptionally obdurate and severe conditions in pioneering, they have more than held their own in the war game.

Between four and five hundred men have gone from this territory direct to the war, meaning practically ten per cent of the population of Yukon are under arms in Europe. Were the whole of the Dominion, with its eight million people, to contribute in like proportion to Yukon there would be 800,000 men, or just twice as many enlisted from Canada today as there are. ...

The generous and patriotic spirit of Yukon deserves to be known throughout the Empire and Allied realm. If all the Empire were contributing in like proportion in men and money the assembled wealth and armies today would be far greater than they are. But these matters will adjust themselves.

Yukoners will continue to do a mighty share and uphold the tradition that the sons and daughters of the North are excelled by none in loyalty to the nation and to humanity.
