THE KLONDIKE HOCKEY TEAM
at Dey's Rink in Ottawa, January 14, 1905.

A CONSIGNMENT OF HOCKEY JUNK

It's not often a local hockey team has a chance to vie for the Stanley Cup, but it happened one time in Yukon history and the results of the contest make it probable that it will never happen again.

Hockey was big in the Klondike in 1904, and the competition so fierce that local promoters of the sport were looking for bigger and greater challenges. With the typical Yukon "if you're going to go for it, you might as well go for the top" attitude, Dawson organizers wrote to Ottawa challenging the World Champions to a Stanley Cup duel. The challenge was accepted.

The Klondike team sallied forth from Dawson to do battle with the Ottawa Invincibles, also known as "The Silver Seven."

Ottawa Hockey Team Won First Game of Series by Score of 9-2. The Dawson Hockey team went down in overwhelming defeat before the Ottawa Invincibles by a score of 23-2 in the second.

SMELTING CENTRE

Construction of the three big hydro plants in the vicinity of Kluane Chilkoot Pass and Teslin. Estimated out - 500,000,000 horsepower - makes this the largest integrated power yield in the world.

In conjunction with the hydro construction, plans call for erection of smelters and leaching plants to process ores from Frobisher holdings in the Yukon, Northwest Territories, Ontario, Quebec, Greece and southern Rhodesia. Frobisher also has properties under development in Uganda, West Africa, Venezuela, Peru, Labrador, Montana, North and South Dakota.

Details of the plan - official permission for preliminary surveys has already been given - came to light recently and followed by a month rejection of a United States bid to harness the Yukon River system, of which Lac Laberge is a part.

At that time Resource Minister Winters intimated that development of Canadian resources in the area should be left to Canadian enterprise - Frobisher is owned by the gigantic Canadian industrial empire, Ventures Corporation.

HELP WANTED

ROTARY
MUSIC AND DANCE FESTIVAL
www.rmfestival.ca

Rotary Music & Dance Festival Coordinator
Term Part-time/Contract – August 1, 2021-June 30, 2022
Contract rate: \$30 per hour to a maximum of \$15,000

Overview
The Rotary Music & Dance Festival is an annual ten-day event, held in April. It offers opportunities for performance and constructive critique for music and dance students, as well as amateur groups, bands, choirs, instrumental and vocal ensembles.

The Rotary Club of Whitehorse is recruiting a coordinator experienced in large event/project management in the performing arts or a related field. The time commitment varies from a few hours per week in the late summer and early fall to a few hours per day from January and February and full-time through March and April.

Skills
You will use your excellent organizational and project-management skills prior to and during the festival. You have experience working with a volunteer committee. The ideal candidate will have excellent oral and written communication skills. You will use your strong computer skills in Word, Excel and experience working with databases as you prepare and coordinate for the festival. Your strong attention to detail and accuracy and sound problem-solving skills will be valued. You will be required to work variable hours including evenings and weekends in your own home and at the festival sites. Discretion, diplomacy and tact in working with multiple stakeholders as required.

Responsibilities
There are tasks required prior to the festival to deal with the registration system for student entries, setting the festival schedule with the music teachers, securing contracts and services and hiring adjudicators, as well as advertising, social media and developing and publishing the festival program. During the festival, the coordinator works with the volunteer lead to coordinate volunteers for the festival, updates the program schedule and the Rotary Music Festival Facebook page. The coordinator prepares program schedules for final concerts and organizes trophies and awards.

Conditions of Employment
A valid Class 5 Yukon driver's license, vulnerable records check for working with children and reference check will be required. Only qualified applicants will be contacted.

Please submit your résumé and cover letter to the Rotary Music Festival Chair, c/o b.ventonross@hotmail.com by Friday, July 9, 2021.

Whitehorse STAR photo
MARTHA BENJAMIN - 1963

MARTHA BENJAMIN: CANADIAN CHAMP

“Martha beats them all” a STAR headline proclaimed in 1963 when an Old Crow skier and mother of five children became the first Yukoner to win a national skiing title.

Twenty-five year old Martha Benjamin won the senior women's cross country skiing title at the Canadian championships in Midland, Ontario. Her time over the 10 kilometre race was 43.29 minutes. And in 1989, 26 years after that historic event, Benjamin was inducted in the Yukon Sports Hall of Fame. “After all these years, I didn't expect to receive something like this,” she said. “I just had it in me that I wanted to do it, and I did it,” she said of her win in Midland Ontario.

Benjamin and Ben Charlie were the only two skiers to attend the championships. Charlie ranked 11th in a field of 48. His toughest competition came from a group of Finns from Sudbury who swept the field.

Both skiers brought high credit and distinction (not to mention the publicity) to their community and to the Yukon as a whole. Star correspondent Edith Josie wrote before they left: “I had wire from Mr. Harry at Whitehorse. He said Ben Charlie and Mrs. Martha Benjamin will go to Ottawa for International Olympic Competition for skiers on February 13. Frank Cook will take them out. Everyone is very glad to hear these two will go out long travel. Hope they had good trip. Old Crow is little town and Father Mouchet is training boys and girls for the skiers. Now they even go way out to Ottawa. Sure big surprise for the people in Old Crow.”

Mouchet, an experienced ski instructor for the French army, designed a training program which is now called TEST (Territorial Experimental Ski Training). This program strives to stimulate and motivate children to discover themselves, develop self-reliance through a rigorous training schedule and gain self-confidence through a series of tough, but surmountable challenges.

MADE IT – Yukoner Martyn Williams, right, completed the international North Pole Expedition is six weeks along with Mike McDowell and brothers Sju and Simen Modre, at left.

CITY RESIDENT MAKES POLAR HISTORY

Whitehorse resident Martyn Williams has become the first Canadian to reach both poles of the earth using only skis and a small dog team. Williams, 44 and his three companions on the International north Pole Expedition were picked up Saturday after six grueling weeks of fighting severe temperatures, driving winds, and tough, unpredictable sea ice.

All four members of the group are South Pole veterans. Australian Mike McDowell 44, accompanied Williams to the South Pole in 1990. Norwegian brothers Sjur, 27, and Simen Modre, 29, traveled to the South Pole in 1991.

The group is now resting at the advance base on Ellesmere Island before they return tonight to Resolute Bay, N.W.T.

Tough terrain slowed progress for the first few weeks. However, the expedition traveled more than 25 kilometres a day in the last couple of weeks to make up for last time.

They had to reach the pole by May 12. After that date, warming temperatures cause fog and broken ice, which makes air pick-up impossible.

The trip has been much tougher than expected, Pangman said. Temperatures have averaged about -35° and driving winds have caused frostbite. A team of eight dogs has been more of a hindrance than a help. Pangman said.
