A GRIM DEATH INDEED

Of all the accidents that can befall a person on a boat surely an explosion and fire is one of the worst. Three tons of black powder exploded on the Columbian's forward deck that fateful September day and the resulting fireball was carried the length of the ship by a downstream wind. Everyone in the immediate vicinity of the explosion would die, except for passenger Ernest Winstanley. He would be saved by his long underwear.

The Purser, Lionel Cowper had been burned over his entire body. As was the medical custom at the time of the accident, he had been wrapped in an oily blanket and given strychnine pills. In Whitehorse, when it became obvious that he was going to die, massive amounts of "opiates" were administered, but relief lasted only minutes.

WRECKAGE of the COLUMBIAN – The charred hull, which was a menace to navigation, was floated downstream a short way and abandoned in "Columbia" slough.

MARTHA BENJAMIN - 1963
MARTHA BENJAMIN:
CANADIAN CHAMP

“Martha beats them all” a STAR headline proclaimed in 1963 when an Old Crow skier and mother of five children became the first Yukoner to win a national skiing title.

Twenty-five year old Martha Benjamin won the senior women’s cross country skiing title at the Canadian championships in Midland, Ontario. Her time over the 10 kilometre race was 43.29 minutes. And in 1989, 26 years after that historic event, Benjamin was inducted in the Yukon Sports Hall of Fame. “After all these years, I didn’t expect to receive something like this,” she said. “I just had it in me that I wanted to do it, and I did it,” she said of her win in Midland Ontario.

Benjamin and Ben Charlie were the only two skiers to attend the championships. Charlie ranked 11th in a field of 48. His toughest competition came from a group of Finns from Sudbury who swept the field.

Both skiers brought high credit and distinction (not to mention the publicity) to their community and to the Yukon as a whole. Star correspondent Edith Josie wrote before they left: “I had wire from Mr. Harry at Whitehorse. He said Ben Charlie and Mrs. Martha Benjamin will go to Ottawa for International Olympic Competition for skiers on February 13. Frank Cook will take them out. Everyone is very glad to hear these two will go out long travel. Hope they had good trip. Old Crow is little town and Father Mouchet is training boys and girls for the skiers. Now they even go way out to Ottawa. Sure big surprise for the people in Old Crow.”

Mouchet, an experienced ski instructor for the French army, designed a training program which is now called TEST (Territorial Experimental Ski Training). This program strives to stimulate and motivate children to discover themselves, develop self-reliance through a rigorous training schedule and gain self-confidence through a series of tough, but surmountable challenges.

1962 News from the Whitehorse Star

BURIED IN TRENCH

Two men were buried in a trench yesterday afternoon at the vocational school site when an earth and gravel wall collapsed on them. Most seriously injured was Ronald Burnett of Whitehorse who received a broken leg and a broken pelvis. Vernon Ekland received also a broken pelvis.

When the wall came down, the two men were working close together in the trench being dug to accommodate sewer and water pipes. They were completely covered by the slide but, fortunately, Bennett and White Superintendent Nelson Ford knew their exact location and, when the rescue effort began, he could pinpoint their location and dug them out.

The trench at the point of collapse was approximately 14 feet deep. About the first five feet were frozen ground but beneath that the gravel was loose.

Both city fire departments rushed to the scene and also workmen from other parts of the city were called to assist. It was Ekland's second trip to the hospital in three weeks. He was just released after a broken ankle healed.

Whitehorse Fire Damage. Six men salvaging what they can from the ashes of the May 23, 1905 fire.

WHITEHORSE SWEEP BY FIRE

Whitehorse was swept by fire early this morning and is now a mass of blackened smoking ruins. Loss \$300,000.

The single fire engine at a critical moment gave out, and quickly the best part of the city became involved in ruin.

The fire takes the city, extending from the post office to the telegraph office and crossing the tracks, sweeping the railroad, the White Pass depot, three of the best hotels and dozens of the smaller buildings.

YUKON'S GREAT SHOWING

Yukon Territory's contribution to the Empire and Allied cause in this war is nothing short of magnificent.

Despite the fact the region is remote and the people are engaged in struggling against primitive and exceptionally obdurate and severe conditions in pioneering, they have more than held their own in the war game.

Between four and five hundred men have gone from this territory direct to the war, meaning practically ten per cent of the population of Yukon are under arms in Europe. Were the whole of the Dominion, with its eight million people, to contribute in like proportion to Yukon there would be 800,000 men, or just twice as many enlisted from Canada today as there are. ...

The generous and patriotic spirit of Yukon deserves to be known throughout the Empire and Allied realm. If all the Empire were contributing in like proportion in men and money the assembled wealth and armies today would be far greater than they are. But these matters will adjust themselves.

Yukoners will continue to do a mighty share and uphold the tradition that the sons and daughters of the North are excelled by none in loyalty to the nation and to humanity.
