A GRIM DEATH INDEED

Of all the accidents that can befall a person on a boat surely an explosion and fire is one of the worst. Three tons of black powder exploded on the Columbian's forward deck that fateful September day and the resulting fireball was carried the length of the ship by a downstream wind. Everyone in the immediate vicinity of the explosion would die, except for passenger Ernest Winstanley. He would be saved by his long underwear.

The Purser, Lionel Cowper had been burned over his entire body. As was the medical custom at the time of the accident, he had been wrapped in an oily blanket and given strychnine pills. In Whitehorse, when it became obvious that he was going to die, massive amounts of "opiates" were administered, but relief lasted only minutes.

WRECKAGE of the COLUMBIAN – The charred hull, which was a menace to navigation, was floated downstream a short way and abandoned in "Columbia" slough.

YUKON'S GREAT SHOWING

Yukon Territory's contribution to the Empire and Allied cause in this war is nothing short of magnificent.

Despite the fact the region is remote and the people are engaged in struggling against primitive and exceptionally obdurate and severe conditions in pioneering, they have more than held their own in the war game.

Between four and five hundred men have gone from this territory direct to the war, meaning practically ten per cent of the population of Yukon are under arms in Europe. Were the whole of the Dominion, with its eight million people, to contribute in like proportion to Yukon there would be 800,000 men, or just twice as many enlisted from Canada today as there are. ...

The generous and patriotic spirit of Yukon deserves to be known throughout the Empire and Allied realm. If all the Empire were contributing in like proportion in men and money the assembled wealth and armies today would be far greater than they are. But these matters will adjust themselves.

Yukoners will continue to do a mighty share and uphold the tradition that the sons and daughters of the North are excelled by none in loyalty to the nation and to humanity.

Public Notice

The Government of Yukon gives notice of an application for rezoning in the Golden Horn Development Area as follows.

Change the designation of an approximately 6.3-hectare area of Yukon land in the Golden Horn Development Area from Rural Residential – 2 (RR-2) to Rural Residential – 1 (RR-1) and rezone this area from Future Development (FD) to Rural Residential – 1 for the purpose of creating two three-hectare Rural Residential lots.

The rezoning will configure the boundaries of two proposed three-hectare Rural Residential lots to be released for public sale. The amendment will ensure the lot size is consistent with the Golden Horn Local Area Plan and permitted uses of the Golden Horn Development Area Regulation. There are no structures present in the areas listed.

Written comments will be accepted until **October 10, 2022**.

Comments can be mailed to:
Land Planning Branch (K-320LP), Department of Energy, Mines and Resources, Box 2703, Whitehorse, Yukon, Y1A 2C6, or emailed to christopher.belanger@yukon.ca.

INDOOR BASEBALL - ITS ALL THE RAGE

The details are sketchy but here's what we know so far...
The inaugural game was played on Saturday, November 24, 1906 between the "B.Y.N." and "Police A" teams. The win went to "Police A" with the score board showing 20-13.
While the STAR dutifully announced each up-coming game and faithfully published all results; we never did state the actual rules. From reading through the write-ups we know they played in a "large hall" at the North Star Athletic Association. Somehow, the walls of the hall were incorporated as part of the "field". As we see in the picture here, they used a narrow baton-like bat and a rather large ball. The public was always "cordially invited" and there were "seats for ladies in the balcony."
The sport was so popular, games were scheduled each Monday, Wednesday and Saturday evening. (And in 1906 that schedule included games played on Christmas Eve and Boxing Day too - now that's dedication!)
