Work To Be Resumed On The Anaconda,
Rabbit Foot and White Horse Group
Mines For Which Large Sums Have Been
Offered and Refused

The excellent returns from Messrs. Graingers & McIntyre’s properties has given a fresh impetus to copper mining in the White Horse district, and in the course of the next two or three weeks a force of men will be put to work on the Anaconda mine, which has already had sufficient development done to prove it equally rich as the Copper King.

The group of mines comprising the Anaconda, Rabbit Foot and White Horse, is owned by Messrs. J.P. Whitney, A. P. Benton, Ole Dickson, W.A. Pucket, Charley Ward and O’Neil. Of these the Anaconda is the furthest advanced in development, 135 feet of tunnel having already been run, besides numerous

cross-cuts and several shafts to a depth of 20 feet. Last June \$100,000 was offered and refused for the Anaconda and five weeks ago an offer of \$150,000 for the Anaconda and Rabbit Foot was also declined.

The lode on which these claims are located shows an average width of 75 feet, and assays from picked ore have given values as high as \$258 per ton.

At the Anaconda there are now about 100 tons of ore on the dump, but the owners have decided not to ship any of it at present, and will wait for the erection of a smelter close at hand which has every indication of being an accomplished fact during the coming summer.

NEW FLAG FLIES

Canada’s new flag is flying over Whitehorse tonight, following a simple 10-minute ceremony outside the RCMP barracks at noon which was watched by a few hundred spectators.

Snow was falling as the Union Jack came down and the scarlet-and-white ensign was hoisted in its place. RCMP Staff-Sgt. W.A. Coombs headed the flag party. Commissioner Gordon Cameron and numerous local dignitaries were among the listeners as the Rev. Harold Marston, president of the Whitehorse Ministerial Association, and Bishop Coudert both spoke briefly in a dedication ceremony.

About 150 local school-children took time off to attend the event. It was all over in 10 minutes, and the crowd dispersed quietly, leaving the new flag fluttering in a drizzle of snowflakes.

Only two people stood and watched as another flag was raised simultaneously outside the federal building. Earlier this morning, it also flew over the Whitehorse General Hospital.

What’s going to happen to all those old Union Jacks? No official word on their fate was available this afternoon.
